**The Mother's Manual** Audrye S. Arbe, 2019-08-05 Who am I and where do I come from? To write this book I feel it necessary to address all aspects of motherhood so I decided to include both the sweetness and delight plus the shadow side of motherhood in this book. Some challenging life situations occur that are vital for us to consider so I am including some disquieting statistics. Because many women and men have refrained from checking within themselves or making an examination on emotional, mental, physical, and spiritual planes about having children, hardships have been created both personally and planetary.

**A Manual for the Modern Mystic** Rio Olesky, 2011-03-23 The modern mystic, the contemporary spiritual seeker is always looking for ways to enhance and expand his or her consciousness. Using quotes from spiritual masters as well as personal stories and anecdotes, *A Manual for the Modern Mystic* shares practical, easily attainable tools that promote spiritual growth through consciousness development. Rio Olesky, a professional astrologer and spiritual practitioner, offers a thoughtful guide through the mystical thought of several major spiritual traditions while exploring the ultimate goal of the mystical pursuit: the meaning of life. As he defines and discusses twelve universal laws, each reflective of a sign of the zodiac, he helps lead you to discovering a deep personal connection to the Divine while avoiding self-undermining behaviors that limit spiritual growth. Through Olesky's explanation of universal laws, mystics will learn more about their connection to the physical plane, fascinating social behaviors, and the complexities of family dynamics. Development of consciousness is perhaps the ultimate purpose and prime reason that life exists. *A Manual for the Modern Mystic* helps contemporary spiritual seekers tune in to a rich, intuitive awareness of the world around them that ultimately leads to peace of mind and happiness.
