Forthcoming Books Rose Army,2001-06 **Love with a Ghost** Kate Valery,2011-02 In the eighteenth and nineteenth centuries man and woman communicated via letter creating entire relationships on paper Since then the world has changed Today we have the Internet where dating websites rule the relationship roost But dating websites are not always safe Even if you discover a deep connection with someone online how do you know he or she is really telling the truth Jana Kathryn lives in Canada Nadir lives in Turkey They are two people who desperately crave to find a soul mate Unable to find true connections in their countries of residence they each decide to try online matchmaking They seem to be a perfect match for each other Their ongoing communications ring true and feel like dreams to them both Possibly these two souls reaching across an ocean could live happily ever after unless one of them is telling a lie Is Jana Kathryn really an intellectual educated woman looking for love or is she a criminal playing brutal games with an unknown agenda Is Nadir truly the sweet supportive man he seems to be or is he a villainous sexual maniac on the prowl Across an ocean across worlds how can these two hopeful people know the truth How can they put trust in online ghosts Will they end up together or end up haunted
