Lipsey,2008 The bestselling author of Into Each Life and Sinsatiable delivers a powerful Christian novel with a gripping and intriguing contemporary storyline Urban Life and Intellectual Crisis in Middle-Period China, 800-1100 Christian Pee,2025-10-01 In the eleventh century the cities of the Song Empire 960 1279 emerged into writing Literati in prior centuries had looked away from crowded streets but literati in the eleventh century found beauty in towering buildings and busy harbors Their purpose in writing the city was ideological On the written page they tried to establish a distinction that eluded them in the avenues and to discern an immanent pattern in the movement of people goods and money By the end of the eleventh century however they recognized that they had failed in their efforts They had lost the Way in the city Urban Life and Intellectual Crisis in Middle Period China 800 1100 reveals the central place of urban life in the history of the eleventh century Important developments in literary innovation and monetary policy in canonical exegesis and civil engineering in financial reform and public health converge in this book as they converged in the city **Living Right On Wrong Street** Titus Pollard,2008 Pollard s remarkable debut combines edgy provocative writing with a strong Christian message **Christian Egalitarian Leadership** Aida Besancon Spencer,William David Spencer,2020-10-30 Much has been written on servant leadership but it is not always tied to egalitarian leadership Sometimes authority and power instead of God s love are presented as the core of the Christian faith The church at times derails imitating worldly culture emphasizing entitlement that relies on an innate or permanent human hierarchy of rank Responding to today s conflict over leadership Christian Egalitarian Leadership calls us back to its biblical roots what is Christian egalitarian leadership Why is it biblical How does it work Thoughtful and devout Christian leaders carefully explain

how sharing leadership follows God's intentions and is crucial to implement today. The theoretical and practical ramifications of these concepts are extended to many areas of the Christian life by numerous qualified individuals, women and men of different races and economic and social classes.

Chapters overview New Testament teachings, biblical authority, Old Testament and contemporary examples, God's intention at creation, pagan philosophy's influence on Christian hierarchical leadership, multicultural and multi-ethnic leadership in the United States and Africa, marriage, rearing children, equipping youth and laity, church planting, retirement and missions from the cradle to the mission field.
