Directors' Decisions and the Law Alice

Belcher, 2014-02-24 Directors are key decision makers in any organisation whether it is in the public sector a family business or a transnational company The UK Companies Act 2006 codified directors duties for the first time and describes the director as the most likely to promote the success of the company for the benefit of its members as a whole This book addresses key tensions and problems involved in the duties and responsibilities of the director in promoting success including corporate culture and credibility trust risk and uncertainty collective responsibility and the degree of control The book considers directors decision making in both private and public sector organisations and explicitly examines aspects of decision making during periods of financial distress The book compares the legal contexts of director s decisions in the UK to those of the USA Germany and Australia and takes an interdisciplinary approach in its combination of management theory economic theory and behavioural studies In doing so the book addresses issues key to the understanding of corporate governance in light of recent financial crises

Corporate Governance Tom Wixley, 2015-11-30

Corporate Governance Fourth Edition continues to inform on all aspects of corporate governance while keeping readers up to date with the latest developments It is now established as the leading South African work on the subject The past five years since publication of the third edition has seen a number of changes in the application of corporate governance in South Africa and beyond Locally we have seen the application of the 2008 Companies Act and in the United Kingdom a new Corporate Governance Code has been introduced Significant developments have taken place in the area of corporate reporting via the appearance of an International Integrated Reporting Framework widening the scope of the traditional annual report The Fourth Edition deals

with these changes Key additions are chapters on types of entities and a comparison of local and international practice
Corporate Governance was first published in 2002 shortly after the publication of the original King Report to help explain the need for corporate governance in the private and public sectors and to provide South African executives and professionals with a practical framework to establish governance systems and practices in their own organisations
