Multi-sided Music Platforms and the Law Chijioke Ifeoma Okorie, 2019-10-28 Multi Sided Music Platforms and the Law explores the legal and regulatory frameworks surrounding copyright protection competition and privacy concerns arising from the way multi sided platforms use copyright protected content in digital advertising This book suggests how stakeholders in Africa and their advisors may ingenuously reform and apply various legal and regulatory frameworks to address these issues which arise from the manner in which multi sided platforms use copyright protected content in digital advertising The book critically engages with the regulatory efforts in other jurisdictions particularly the EU with a view to bringing an African perspective to the debate and practice It undertakes a consideration of this issue by asking how multi sided platforms may be deployed in a manner that continues innovative uses of copyright content while protecting the economic freedom of African copyright owners as small businesses Providing the first pro Africa approach to the regulation of multi sided platforms particularly with reference to music this book focuses on key aspects of digital commercial activity and highlights the main challenges and opportunities for its regulation It will be of interest to lawyers policymakers and students across Nigeria South Africa and internationally among the African Union European Union and beyond Old Town Road Chris Molanphy, 2023-10-06 In Old Town Road Chris Molanphy considers Lil Nas X's debut single as pop artifact chart phenomenon and cultural watershed Old Town Road was more than a massive hit with the most weeks at No 1 in Billboard Hot 100 history It is also a prism through which to track the evolution of popular music consumption and the ways race influences how the music industry categorizes songs and artists By both lionizing and satirizing genre tropes it's a country song built from an alternative rock sample a hip hop song in which nobody raps a comical song that transcends novelty and a queer anthem Lil Nas X troubles the very idea of genre Ultimately Molanphy shows how Old Town Road channeled decades of Americana to point the way toward our cultural future *Bad Blood* Bad Blood (Musical group), 2017
