is though hard to ascertain Following a previous volume that focused on the Pentateuch and the Former Prophets BZAW 507 this volume deals with different concepts of leadership in selected Prophetic Hag Zech Jer and Chronistic literature Ezr Neh Chr They are examined in a literary religious tradition historical and theological perspective Special emphasis is given to phenomena of transforming authority and leadership claims in exilic post exilic times Hence the volume contributes to biblical theology and sheds new light on the redaction reception history of the texts Not least it provides valuable insights into the history of religious and or political authorities in Israel and Early Judaism s

Expository Hermeneutics Elliott Johnson,2023-10-30 Expository Hermeneutics invites the student on a journey to a life and ministry based on exposition of the Bible Hermeneutics provides a guide to understand the message and apply that message in its original setting and then in a comparative way in the contemporary day We adopt the Scriptures view of itself as God s word As a result we believe the Bible has a truth value as reflected in the canon of Scripture The goal of hermeneutics defines verbal meaning as the author s willed type message read as a whole book so that the message is communicated with a truth content to be understood The method of hermeneutics is both read in a circular pattern and practiced as an objective task It is objective in the sense that God authors a transhistorical message and the reader is aware of their own presuppositions and adopts those of Scripture As such the message can be validated in its truth content However this does not prove it true even though it provides an evidential conviction that the truth value has been understood

The Ministry, Vol. 09, No. 05 Various Authors,2005-05-01 This issue of The Ministry contains the final group of eight messages given during the 2004 fall term of the Full time Training in Anaheim California The general subject for this line of messages is the intrinsic significance of the Lord s recovery for the building of the church as the house of God and the city of God With the first message of this volume six crucial words are introduced which are related to the intrinsic situation and need in the Lord s recovery The first three words purification education and reconstitution are related to the ministry of Ezra who not only enriched the recovery but in particular purified the recovery The other three words separation protection and expression are related particularly to the ministry of Nehemiah with its pure absolute and aggressive leadership The ministry of Ezra with the elements of purification education and reconstitution make up the intrinsic need in the Lord s recovery today The leadership of Nehemiah comes after the ministry of Ezra Nehemiah principally took the lead to build up the wall The wall is the intrinsic significance of the city To build up the wall and the temple is to build up the church as the house of God for the expression of God To build up the wall with the city is to build up the church as the kingdom of God for the dominion of God Both of these aspects of building up the church as the house of God and as the kingdom of God were so that God could have a corporate man in His image to express and represent Him with His dominion These are for the full accomplishment of the economy of God that is to build up the Body of Christ to usher in the kingdom of Christ and to consummate the New Jerusalem Last of all we include reports concerning the distribution of the ministry in Romania and in Poland
