Apply God's Word To Your Life Linda Likely,2017-03-23 The purpose of this book is to help Christians understand the importance of studying and training in God s word This is my testimony In the book I talked about 17 things that a Christians should know It also has questions after each topic discussed Hope that you will enjoy reading it It is important that we study God s word but it is even more important to put it into practice The success comes when we apply it to our life Change your Mind Change your Life The Mountain, Called Church Doctrine VICTOR UDOIDIONG,2020-12-29 This book The Mountain Called Church Doctrine speaks about the power in the Word of God which has existed from the beginning and has glowed over the years from generation to generation It also points out that the Word of God has not diminished in value rather the potency keeps on growing every blessed day The value in the Word is the ability to understand and obey it to the letter irrespective of who is involved The church is subject to the Word so also is obedience demanded as a mark of acceptance and submission Every Word comes out with a mission to accomplish reward and to render account to the Creator Hence the Word is not subject to modernisation that the changes will affect its originality and potency but rather modernisation is subject to the Word which must conform to it Therefore the Church which is the body of Christ must adopt and adapt the Bible doctrines and ordinances given as a mark of submission
