Binding Elements: Prophecy Lynn Peters, 2015-05-19 The Saga Continues Lucas and Aurora begin the search for two of the most treacherous people of their kind The search takes them to China where their best friend Kyle has a surprise waiting for them They finally got to spend their first Christmas together in five hundred years Will they get to celebrate a second one They were banished They came from the Wind and Lightning Families Together they were two of the most powerful of their kind and for their reckless use of power they were banished Eight centuries later Shane and Alexis are close to their goal and step up their search for the Flute of Life a mythological artifact said to have belonged to one of the Eight Immortals and capable of giving life to crops and plants If they can find it the world would be theirs They suspect Lucas and Aurora are on to them and hatch a plan of poison to stop them Surprises and shocks await An accident in which they nearly lose their lives brings about the discovery of a prophecy buried in the ancient books of the Elemental People Lucas and Aurora realize their fate is set and the only way to survive is to embrace it Shocking power will be unleashed and no one is safe From a home in the country to the Forbidden City and finally to the Great Wall itself they re in a race to save themselves and their friends from destruction

Strange Fire John F. MacArthur, 2013-11-19 In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars The charismatic movement has always been a breeding ground for scandal greed bad doctrine and all kinds of spiritual chicanery As a movement it is clearly headed the wrong direction And it is growing at an unprecedented rate From the Word of Faith to the New Apostolic Reformation the Charismatic movement is being consumed by the empty promises of the prosperity gospel Too many charismatic celebrities promote a Christianity without Christ a Holy Spirit without holiness And their teaching is having a disastrous influence on a grand scale as large television networks broadcast their heresies to every part of the world In *Strange Fire* MacArthur lays out a chilling case against the modern Charismatic movement that includes Rejecting its false prophets Speaking out against their errors Showing true reverence to the Holy Spirit Clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested
