Boss Me 25 Manual:

The Scholar's Survival Manual Martin H. Krieger, 2013-10-22 The product of a lifetime of experience in American universities The Scholar's Survival Manual offers advice for students professors and administrators on how to get work done the path to becoming a professor getting tenured and making visible contributions to scholarship as well as serving on promotion and tenure committees Martin H Krieger covers a broad cross section of the academic experience from a graduate student's first foray into the job market through retirement Because advice is notoriously difficult to take and context matters a great deal Krieger has allowed his ideas to percolate through dozens of discussions Some of the advice is instrumental matters of expediency some demands our highest aspirations Readers may open the book at any place and begin reading for the more systematic there is a detailed table of contents Krieger's tone is direct an approach born of the knowledge that students and professors too often ignore suggestions that would have prevented them from becoming academic roadkill This essential book will help readers sidestep a similar fate **Technical Manual** United States. War Department, 1953

Maintenance Instructions , 1992 *Don't Call Me Boss* Michael Weber, 1988-02-15 The death of David Leo Lawrence in 1966 ended a fifty year career of major influence in American politics In a front page obituary the New York Times noted that Lawrence the longtime mayor of Pittsburgh governor of Pennsylvania and power in Democratic national politics disliked being called Boss But the Times noted he was one anyway Certainly Lawrence was a consummate politician Born in a poor working class neighborhood in the present day Golden Triangle of Pittsburgh he was from boyhood an astute student of politics and a devoted Democrat Paying minute attention to every detail at the ward and precinct level he revived the moribund Democratic party of Pittsburgh and fashioned a machine that upset the long entrenched Republican organization in 1932 When Davy Lawrence as he was affectionately known won the gubernatorial election in 1958 he became the first Roman Catholic governor of Pennsylvania and the oldest But he achieved his greatest public recognition as mayor of Pittsburgh Taking office in 1945 at the close of World War II this stalwart Democrat formed an alliance with the predominantly Republican business community to bring about the much acclaimed Pittsburgh Renaissance transforming the downtown business district and persuading many large corporations to retain their national headquarters in Pittsburgh In 1958 the editors of Fortune magazine name Pittsburgh as one of the eight best administered cities in America Don't Call Me Boss examines the lengthy career of this remarkable politician Using over one hundred interviews as well as extensive archival material Michael Weber demonstrates how Lawrence was able to balance his intense political drive and devotion to the Democratic party with the larger needs of his city and state Although his administration was not free of controversy as indicated by the city's police and free work scandals Lawrence showed that it was possible to make the transition from nineteenth century political boss to modern municipal manager He was one of the few politicians of the century to do so When the undisputed bosses of other American cities the Curleys Pendergasts and Hagues were out of power and disgraced
