**Stephanie E. Dickinson**

## **Bound Promised Land Portrait American:**

Force, Religion, and the Quest for African American Justice Daniel A. Morris, 2025-06-26 This study argues that Black calls for force in the struggle against white supremacy have echoed concepts and principles in the Western just war tradition After establishing that just war theory has ignored Black calls for force and that the Trans Atlantic Slave Trade relied on just war ethics for its justification this book turns to African American resistance rhetoric in three crucial periods of U S history In the antebellum period the Civil Rights movement and the era of mass incarceration African American thinkers have drawn on ideas and forms of logic that run parallel to just war ethics This makes Black rhetoric of forceful resistance morally normal rather than radical or extremist Figures in the Black just war tradition such as David Walker Henry Highland Garnet Harriet Tubman Huey Newton Bree Newsome and others should be included in the discipline of just war ethics and white American Christians should recognize that their endorsements of force are consistent with widely accepted moral positions **Bound for the Promised Land** Kate Clifford Larson, 2004-12-28 The essential richly researched biography of Harriet Tubman revealing a complex woman who led a remarkable life one that her race her sex and her origins make all the more extraordinary The New York Times Book Review Harriet Tubman is one of the giants of American history a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War Now in this magnificent biography historian Kate Clifford Larson gives us a powerful intimate meticulously detailed portrait of Tubman and her times Drawing from a trove of new documents and sources as well as extensive genealogical data Larson presents Harriet Tubman as a complete human being brilliant shrewd deeply religious and passionate in her pursuit of freedom A true American hero Tubman was also a woman who loved suffered and sacrificed Praise for Bound for the Promised Land Bound for the Promised Land appropriately reads like fiction for Tubman s exploits required such intelligence physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook Larson captures Tubman s determination and seeming imperviousness to pain and suffering coupled with an extraordinary selflessness and caring for others The Seattle Times Essential for those interested in Tubman and her causes Larson does an especially thorough job of uncovering relevant documents some of them long hidden by history and neglect The Plain Dealer Larson has captured Harriet Tubman s clandestine nature reading Ms Larson made me wonder if Tubman is not in fact the greatest spy this country has ever produced The New York Sun Characters of Blood Celeste-Marie Bernier, 2012 Across the centuries the acts and arts of black heroism have inspired a provocative experimental and self reflexive intellectual political and aesthetic tradition In Characters of Blood Celeste Marie Bernier illuminates the ways in which six iconic men and women Toussaint Louverture Nathaniel Turner Sengbe Pieh Sojourner Truth Frederick Douglass and Harriet Tubman challenged the dominant conceptualizations of their histories and played a key role in the construction of an alternative visual and textual archive While these figures have survived as symbolic touchstones Bernier contends that scholars have yet to do justice to

their complex bodies of work or their multifaceted lives Adopting a comparative and transatlantic approach to her subjects remarkable life stories the author analyzes a wealth of creative work from literature drama and art to public monuments religious tracts and historical narratives to show how it represents enslaved heroism throughout the United States Africa and the Caribbean In mapping this black diasporic tradition of resistance Bernier intends not only to reveal the limitations and distortions on record but also to complicate the definitions of black heroism that have been restricted by ideological boundaries between heroic and anti heroic sites and sights of struggle Jacob Lawrence Stephanie E.

Dickinson,2016-07-15 Jacob Lawrence was a talented painter whose work became an important part of the Harlem Renaissance and modern art Learn about his life influences and impact **Places of the Underground Railroad** Tom Calarco,Cynthia Vogel,Kathryn Grover,Rae Hallstrom,Sharron L. Pope,Melissa Waddy- Thibodeaux,2010-12-03 This up to date compilation details the most significant stops along the Underground Railroad Places of the Underground Railroad A Geographical Guide presents an overview of the various sites that comprised this unique road to freedom with entries chosen to represent all regions of the United States and Canada Where most works on the Underground Railroad focus on the people involved this unique guide explores the intricacies of travel that allowed the conductors to carry out the tasks entrusted to them It presents an accurate picture of just where the Underground Railroad was and how it operated including routes and itineraries and connections between the various Railroad locations Through information about these locations the book takes readers from the beginnings of organized aid to fugitive slaves during the period following the American Revolution up to the Civil War It delineates the possible routes fugitive slaves may have taken by identifying the rivers canals and railroads that were sometimes used And it shows that a network though decentralized and variable over time and place truly was established among Underground Railroad participants **Jesus, Jobs, and Justice** Bettye Collier-Thomas,2013-12-20

Originally published New York Alfred A Knopf c2010 She Came to Slay Erica Armstrong Dunbar,2019-11-05 In the bestselling tradition of The Notorious RBG comes a lively informative and illustrated tribute to one of the most exceptional women in American history Harriet Tubman a heroine whose fearlessness and activism still resonate today Harriet Tubman is best known as one of the most famous conductors on the Underground Railroad As a leading abolitionist her bravery and selflessness has inspired generations in the continuing struggle for civil rights Now National Book Award nominee Erica Armstrong Dunbar presents a fresh take on this American icon blending traditional biography illustrations photos and engaging sidebars that illuminate the life of Tubman as never before Not only did Tubman help liberate hundreds of slaves she was the first woman to lead an armed expedition during the Civil War worked as a spy for the Union Army was a fierce suffragist and was an advocate for the aged She Came to Slay reveals the many complexities and varied accomplishments of one of our nation s true heroes and offers an accessible and modern interpretation of Tubman s life that is both informative and engaging Filled with rare outtakes of commentary an expansive timeline of Tubman s life photos both new and those in

public domain commissioned illustrations and sections including Harriet By the Numbers number of times she went back down south approximately how many people she rescued the bounty on her head and Harriet s Homies those who supported her over the years She Came to Slay is a stunning and powerful mix of pop culture and scholarship and proves that Harriet Tubman is well deserving of her permanent place in our nation s history Through Darkness to Light Jeanine Michna-Bales,2017-03-28 They left in the middle of the night often carrying little more than the knowledge to follow the North Star Between 1830 and the end of the Civil War in 1865 an estimated one hundred thousand slaves became passengers on the Underground Railroad a journey of untold hardship in search of freedom In Through Darkness to Light Photographs Along the Underground Railroad Jeanine Michna Bales presents a remarkable series of images following a route from the cotton plantations of central Louisiana through the cypress swamps of Mississippi and the plains of Indiana north to the Canadian border a path of nearly fourteen hundred miles The culmination of a ten year research quest Through Darkness to Light imagines a journey along the Underground Railroad as it might have appeared to any freedom seeker Framing the powerful visual narrative is an introduction by Michna Bales a foreword by noted politician pastor and civil rights activist Andrew J Young and essays by Fergus M Bordewich Robert F Darden and Eric R Jackson Harriet Tubman Kem Knapp Sawyer,2010-01-01 An illustrated exploration of the life of Harriet Tubman that covers her childhood experiences as a slave escape to freedom work on the Underground Railroad antislavery activism and other topics Gateway to Freedom Eric Foner,2015-01-12 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom More than any other scholar Eric Foner has influenced our understanding of America s history Now making brilliant use of extraordinary evidence the Pulitzer Prize winning historian once again reconfigures the national saga of American slavery and freedom A deeply entrenched institution slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution Slaves could be found in the streets of New York well after abolition traveling with owners doing business with the city s major banks merchants and manufacturers New York was also home to the North s largest free black community making it a magnet for fugitive slaves seeking refuge Slave catchers and gangs of kidnappers roamed the city seizing free blacks often children and sending them south to slavery To protect fugitives and fight kidnappings the city s free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835 In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South Washington and Baltimore through Philadelphia and New York to Albany Syracuse and Canada These networks of antislavery resistance centered on New York City became known as the underground railroad Forced to operate in secrecy by hostile laws courts and politicians the city s underground railroad agents helped more than 3 000 fugitive slaves reach freedom between 1830 and 1860 Until now their stories have remained largely unknown their significance little understood Building on fresh evidence including a detailed record of slave escapes secretly kept by Sydney Howard Gay one

of the key organizers in New York Foner elevates the underground railroad from folklore to sweeping history The story is inspiring full of memorable characters making their first appearance on the historical stage and significant the controversy over fugitive slaves inflamed the sectional crisis of the 1850s It eventually took a civil war to destroy American slavery but here at last is the story of the courageous effort to fight slavery by practical abolition person by person family by family

Delve into the emotional tapestry woven by Emotional Journey with in Dive into the Emotion of **Bound Promised Land Portrait American** .
