How Did I Get to Be Forty Judith Viorst, 2014-10-21 And so you've reached that time in life when you're starting to pick investments over adventure, clean over scenic, comfortable over intense when even though in your heart of hearts you're only seventeen, the rest of you is how did it happen, forty. The wise and witty lady of *It's Hard to Be Hip Over Thirty* is here to get you through these forty-ish years with poems that reflect our common shared experience. So let her help you take a look at that decade of sagging kneecaps and college reunions and fantasies of love in the afternoon at Maoist kids, cholesterol counts, adult education courses and other atrocities which somehow just don't hurt so much when you laugh. A marvelous book filled with insight and warmth. **How Did I Get to Be 40: Other Atrocities** is Judith Viorst at her best. **Making the Best of What's Left** Judith Viorst, 2025-04 Throughout her career Judith Viorst has written numerous books reflecting on life as she ages. Now in her nineties she shares her experiences in life's final fifth in this collection of poetry and essays. On her retirement community she notes that it is wonderful, marvelous, swell, good as gold. Except for this one little problem everyone's old. On her late husband who died of COVID-19 in 2022 she pleads, I need you fixing our damn circuit breakers. I need you. Could you please stop being dead. With humor and vulnerability Viorst invites readers to dance with her between grief and levity and to enjoy the time we have left to share. **Necessary Losses** Judith Viorst, 2010-05-11 From grief and mourning to aging and relationships, poet and Redbook contributor Judith Viorst presents a thoughtful and researched study in this examination of love, loss, and letting go. Drawing on psychoanalysis, literature, and personal experience, *Necessary Losses* is a philosophy for understanding and accepting life's inevitabilities. In *Necessary Losses*, Judith Viorst turns her considerable talents to a serious and far-reaching subject: how we grow and change through the losses that are a certain and necessary part of life. She argues persuasively that through the loss of our mother's protection, the loss of the impossible expectations we bring to relationships, the loss of our younger selves, and the loss of our loved ones through separation and death, we gain deeper perspective, true maturity, and fuller wisdom about life. She has written a book that is both life-affirming and life-changing.
