Security Guard Test Preparation Guide Sws Inc,2020-01-10 This test preparation guide is designed to assist security guards in preparing for theministry s mandatory test The guide will outline key areas that security guards shouldbe familiar with to ensure they perform their duties in accordance with the PrivateSecurity and Investigative Services Act 2005 PSISA and its regulations The subjects covered align with the ministry s Training Syllabus for Security Guards Although the guide is meant to assist candidates in preparing for and writing the test itdoes not constitute a training manual and is not a substitute for an in person trainingcourse At the end of each section of this test preparation guide you will find links to externalresources that may be of further assistance to you Many of these will bring you tovarious laws and regulations it is

recommended that you have an overall understanding of these and how they relate to key topics covered in the test. Other links will bring you to existing training materials available to the public. While these materials may contain valuable information, please keep in mind that they were not specifically designed for Ontario's security guard and private investigator training and testing program.

About the Test

The ministry's tests were developed by subject matter experts (SMEs) in the private security and investigative services industry who worked with the ministry's test development consultant, CASTLE Worldwide Inc. The SMEs developed the test questions using a protocol of writing and review that conforms to the best practices of psychological and test development standards. They comprehensively reviewed and validated each question for appropriateness of the answers and correct answer keys. A panel of SMEs also reviewed and tested the questions and participated in setting the cut scores (pass marks) for the tests. The security guard test is in a written 60 question multiple choice format. Test appointments are 2 hours in duration, 75 minutes of which is the allotted test completion time.
