Women's Encounters with Jesus in the Gospels

FRANCES TAYLOR GENCH

Back To The Well Womens Encounters With Jesus In The Gospels

Chris Keith

Back To The Well Womens Encounters With Jesus In The Gospels:

Back to the Well Frances Taylor Gench, 2004-07-19 Exploring six Gospel texts in which women encounter Jesus Frances Taylor Gench encourages us to view these stories anew through the eyes of contemporary biblical scholarship Summarizing and making accessible the work of a diversity of feminist scholars while also engaging many of the more traditional voices of the past she examines each story's language structure and literary and socio cultural context and recounts many traditional and contemporary interpretations In the process she opens up new possibilities for reading these texts Includes helpful questions for discussion *The Pericope Adulterae, the Gospel of John, and the Literacy of Jesus* Chris Keith, 2009 Although consistently overlooked or dismissed John 8 6 8 in the Pericope Adulterae is the only place in canonical or non canonical Jesus tradition that portrays Jesus as writing After establishing that John 8 6 8 is indeed a claim that Jesus could write this book offers a new interpretation and transmission history of the Pericope Adulterae Not only did the pericope's interpolator place the story in John's Gospel in order to highlight the claim that Jesus could write but he did so at John 7 53 8 11 as a result of carefully reading the Johannine narrative The final chapter of the book proposes a plausible socio historical context for the insertion of the story *The Samaritan Woman's Story* Caryn A. Reeder, 2022-02-15 Most Christians are familiar with this picture of the woman at the well a sinner an adulteress even a prostitute Exploring the reception history of John 4 Caryn Reeder challenges common interpretational assumptions about women and sexuality yielding fresh insights from the story's original context and offering a bold challenge to teach the Bible in a way that truly values the voices of women

Characters and Characterization in the Gospel of John Christopher W. Skinner, 2013-04-11 This volume examines characters in the Fourth Gospel and provides an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods Divided into two sections the book first considers method and theory followed by exegetical character studies using a literary or reader oriented method It summarizes the state of the discussion examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel compares different approaches and compiles the diverse methodologies into one comparative study Through this detailed exegesis the various theories will come alive and the merits or deficiencies of each approach will be available to the reader This volume is both a comprehensive study in narrative reader oriented theories and a study in the application of those theories as they apply to characterization Summing up current research on characters and characterization in the Fourth Gospel this book also provides a comprehensive presentation of different approaches to character that have developed in recent years **Arts and Preaching: A Handbook for Practice, Volume 1** Sunggu A. Yang, 2025-06-06 Arts and Preaching A Handbook for Practice is a transformative guide that merges the dynamism of various art forms with the spiritual practice of preaching Edited by Sunggu A Yang this handbook challenges traditional sermon delivery by advocating for an artistic holistic approach that speaks to the senses and soul With chapters on painting architecture fashion film and theater this work is designed to

resonate deeply with contemporary audiences making the divine message a multisensory experience that fosters profound spiritual engagement Perfect for preachers seeking to enrich their ministry with creativity and depth this handbook offers a fresh perspective on conveying the timeless truths of Scripture In an era where sensory engagement and interactive experiences shape our perceptions Arts and Preaching A Handbook for Practice explores the powerful synergy between various art forms and preaching Edited by Sunggu A Yang and contributed to by a team of seasoned preachers and academics this handbook addresses the contemporary need for a dynamic and immersive approach to preaching that resonates with today s visually and aurally attuned audiences Covering intersections of painting architecture fashion film and theater with homiletic practices each chapter offers a unique lens through which the gospel can be communicated in a manner that is both theologically profound and artistically vibrant Designed for preachers who wish to integrate artistic expressions into their preaching this handbook serves as a catalyst for enhancing public worship and fostering a deeper congregational life through the arts As we navigate an age of fleeting attention spans Arts and Preaching ensures that the timeless messages of faith are conveyed in ways that are both innovative and deeply resonant **To Cast the First Stone**

Jennifer Knust,Tommy Wasserman,2020-01-14 The story of the woman taken in adultery features a dramatic confrontation between Jesus and the Pharisees over whether the adulteress should be stoned as the law commands In response Jesus famously states Let him who is without sin be the first to throw a stone at her To Cast the First Stone traces the history of this provocative story from its first appearance to its enduring presence today Likely added to the Gospel of John in the third century the passage is often held up by modern critics as an example of textual corruption by early Christian scribes and editors yet a judgment of corruption obscures the warm embrace the story actually received Jennifer Knust and Tommy Wasserman trace the story s incorporation into Gospel books liturgical practices storytelling and art overturning the mistaken perception that it was either peripheral or suppressed even in the Greek East The authors also explore the story s many different meanings Taken as an illustration of the expansiveness of Christ s mercy the purported superiority of Christians over Jews the necessity of penance and more this vivid episode has invited any number of creative receptions This history reveals as much about the changing priorities of audiences scribes editors and scholars as it does about an original text of John To Cast the First Stone calls attention to significant shifts in Christian book cultures and the enduring impact of oral tradition on the preservation and destabilization of scripture Ancient Laws and Contemporary Controversies Cheryl Anderson,2009-11-16 The Ten Commandments condone slavery and Deuteronomy 22 deems the rape of an unmarried woman to injure her father rather than the woman herself While many Christians ignore most Old Testament laws as obsolete or irrelevant with others picking and choosing among them in support of specific political and social agendas it remains a basic tenet of Christian doctrine that the faith is contained in both the Old and the New Testament If the law is ignored an important aspect of the faith tradition is denied In Ancient Laws and Contemporary Controversies Cheryl B Anderson tackles

this problem head on attempting to answer the question whether the laws of the Old Testament are authoritative for Christians today The issue is crucial some Christians actually believe that the New Testament abolishes the law or that the Protestant reformers Luther Calvin and Wesley rejected the law Acknowledging the deeply problematic nature of some Old Testament law especially as it applies to women the poor and homosexuals Anderson finds that contemporary controversies are the result of such groups now expressing their own realities and faith perspectives Anderson suggests that we approach biblical law in much the same way that we approach the U S Constitution While the nation s founding fathers all privileged white men did not have the poor women or people of color in mind when they referred in its preamble to We the people Subsequently the Constitution has evolved through amendment and interpretation to include those who were initially excluded Although it is impossible to amend the biblical texts themselves the way in which they are interpreted can and should change With previous scholarship grounded in the Old Testament as well as critical legal and feminist theory Anderson is uniquely qualified to apply insights from contemporary law to the interpretive history of biblical law and to draw out their implications for issues of gender class and race ethnicity In so doing she lays the groundwork for an inclusive mode of biblical interpretation

The Faith of Girls Anne Phillips,2016-03-03 Exploring the spirituality and faith of girls on the verge of adolescence this book presents fresh insights into children s spirituality and their transition to adulthood Phillips has listened to girls voices speaking in depth on the themes of self God church and world and reflected on their experiences and understandings in the light of current psychological philosophical and sociological thinking all placed into dialogue with a feminist approach to contemporary theology and bible Phillips offers wombing as a metaphor for their transition to young adulthood and suggests strategies faith communities might adopt to companion girls more effectively through the fragility of puberty This book will appeal to all those exploring areas of youth ministry pastoral care Christian education nurture and childhood studies psychology and theology

The Faith of Girls Revd Dr Anne Phillips,2013-06-28 Exploring the spirituality and faith of girls on the verge of adolescence this book presents fresh insights into children s spirituality and their transition to adulthood Phillips has listened to girls voices speaking in depth on the themes of self God church and world and reflected on their experiences and understandings in the light of current psychological philosophical and sociological thinking all placed into dialogue with a feminist approach to contemporary theology and bible Phillips offers wombing as a metaphor for their transition to young adulthood and suggests strategies faith communities might adopt to companion girls more effectively through the fragility of puberty This book will appeal to all those exploring areas of youth ministry pastoral care Christian education nurture and childhood studies psychology and theology

Arabic Christian Theology
Zondervan,2019-03-19 Theology is not done in a vacuum Our theology is affected by the culture in which we live and our theology can have unexpected effects on the lives of Christians who live thousands of miles away This point emerges clearly as we listen to seven Arabic evangelical theologians address issues that are of critical importance to Christians living as

minorities in the Muslim world North American readers may find that many of their assumptions are challenged as they see how respected Christian thinkers from a very different context address issues of biblical interpretation national and international politics culture and gender
