hands to themselves might prove impossible Perfect for fans of Plenty of spice Billionaire romances There was only one bed Fast burn Commanding Alpha heroes Forced proximity Previously published as Whose Bed Is It Anyway **Sevyns Life: A Story About The First Black Billionaire Transgender Woman** MarthaK Sayz, Ka'milla Harris, 2024-04-06 This story provides an intriguing glimpse into the life of its protagonist Sevyn from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai The narrative seamlessly jumps between the present and flashes back to Sevyn s childhood painting a picture of how she has risen from nothing to achieve immense success against all odds From the very first chapter the author establishes Sevyn as a strong driven woman who hasn t let her past hold her back We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother s kitchen in Cabrini Green These glimpses into Sevyn s childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality After reconnecting with memories of her family and upbringing over breakfast Sevyn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is This sets the stage for what is sure to be a revealing tale of Sevyn s journey of self discovery and empowerment I m eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence Her determination to keep striving despite facing adversity serves as an inspiration That night Sevyn has another taping of her show SS Diaries though she neglects practicing her monologue as ghosts from her past resurface Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience After filming Sevyn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions Sevyn s successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times Rich remains devotedly by her side supporting her through the resurfacing of painful recollections Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevyn s past that continue emerging I m left wanting to know more about the specific hardships she faced and how she was finally able to overcome them Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit The author provides vivid sensory details that transport the reader directly into Sevyn s lavish yet conflicted world From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can

feel the visceral experience of Sevnyn's memories and emotions. The interweaving of flashbacks with the present day also builds engaging dramatic tension, making me eager to watch as more of Sevnyn's history is revealed piece by piece. Both Sevnyn and Rich come across as complex, multilayered characters, and I appreciate the glimpses into Rich's background and support of Sevnyn that help balance the focus on her experiences. Their caring partnership serves as a strong foundation that clearly played a role in helping Sevnyn achieve all she has. Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity. In summary, this novel introduction draws the reader deeply into Sevnyn's intriguing world through vivid sensory storytelling and bits of mystery surrounding her past. Both the present-day scenes of luxury and the historical flashes back to harder times feel richly realized. Sevnyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration. I look forward to seeing how the author continues to peel back the layers on Sevnyn's history while advancing the engaging plotlines of her marriage, career, and philanthropic ambitions. This shows great promise as a story of empowerment and overcoming the odds through grit and resilience.

The Billionaire's Mistress

Arnie Pearl, 2024-12-22. I thought so too. You don't remember the safe word. Jaxon had a tone of mischief in his voice. His Hazel Green eyes burned her down to her soul. Roxanne kept moving backwards till her back was against the wall. Please, I don't want to do this. She begs. Jaxon is already very much aroused, and the beast in his groin begs for release. Her begging only turns him on more. So innocent. Roxanne knows she can't do anything now, so she decides to give in to him. Now that's what I want to see. Less struggle, more obedience. You're now my Pet. Now get on your knees. Jaxon orders. Roxanne, a 24-year-old gymnast with heavy financial burdens, steps into the world of Club D Lux as an exotic pole dancer. Her first performance sparks a connection with Jaxon Hearst, the owner. When a fan gets too close, Jaxon helps her, revealing his true identity and making a shocking proposal as he's drawn to her beautiful and subtle nature. The hunger to possess her burns inside of him. He offers Roxanne a risky deal: become his mistress, and he'll take care of her financial worries and cover her father's medical bills. But as she enters Jaxon's life, shedding his layers, she discovers his dark secrets and desires that push her boundaries. As they engage in this consuming relationship, Roxanne finds herself trapped between her desire for Jaxon and her fear of his control. Can she tame his wild heart, or will their passion leave her in ruins?

Billionaire's Cute Encoffiner Wife

Zhen ShiWuShuShu, 2020-06-11. I'm just helping the dead fulfill their last wish. I didn't mean to kiss you. After she finished speaking, she lowered her head and pressed her lips onto his. Suddenly, he opened his eyes. You delivered yourself to me. In the blink of an eye, before the high-difficulty quest was delivered to his doorstep, he had arrogantly said to her: If the quest is completed, I'll reward her with marrying him. If she can't, then I'll punish her to marry him. Hm. Was there something wrong with this operation? Mao Jingjing was stupefied.
