Lovely, 2021-05-25 Gripping explosive and timely Lutishia Lovely's latest novel tells the tale of one woman's shocking discovery and how it turns her and her celebrity sister's different worlds upside down. Since childhood Chantel has idolized her older sister Jett, a superstar performer. But she's seldom seen her Hollywood-based sibling. More on the shy side, Chantel is perfectly happy with her own modest singing career and quiet Missouri hometown life. But when their mother dies and Chantel's world is upended, she hopes that moving to Los Angeles will give her a fresh start and a chance to know Jett better. Yet the truth is she doesn't know Jett at all. When Jett rebuffs her efforts to bond, Chantel learns a devastating secret she never could have imagined. Reeling and angry, Chantel soon comes up with the perfect vengeful weapon: a bestselling tell-all book that will reveal Jett's stormy past and wreak havoc on the stardom she prizes more than anything or anyone. But Jett guards her private life for a reason and will stop at nothing to stop the past from being exposed. Now, between hard hidden truths and bitter new revelations, Chantel must decide how much payback is too much and if the reward is worth the life-altering price. Vibrant characters, artful storytelling, and an original voice make Lutishia Lovely worth every moment. Donna Hill

Romi and the Best Man Amy Sparling, Romi's greatest dream is to run the famed Blake Retreat until she retires, despite how her family just wants to sell to a wealthy CEO and take the money. With the purchase offers getting higher and higher, she'd rather focus on planning an extravagant week-long wedding for a local couple, and it's not just because the best man who is planning the wedding with her is super good looking. Okay, maybe it is. Lucas avoided love and family for years as he climbed high on the corporate ladder, and now he finds himself planning a charming wedding retreat for his best friend Max. Weeks of phone calls and emails with the proprietor, Romi, has given him a little crush on the woman, but it's not until he meets her in person the week before the wedding that he realizes that there might be more to life than working all the time. When Romi discovers that Lucas not only works for that annoying CEO but has been tasked with making sure he buys her business, no matter the cost, she's crushed.
