Unlikely Match Fiona Riley, 2017-06-20 Shelly White is a coding genius who has mastered the IT world but hasn't quite mastered dating. While she searches for Ms. Right with the help of Samantha Monteiro's matchmaking agency, Shelly embraces her inner nerd and when one of her newest ideas turns into a creative goldmine, she hires PR exec Claire Moseley to help her professional dreams become reality. But is Claire the girl of her dreams in more ways than one? Being raised by four brothers has made Claire tenacious. Her assignment to Shelly's high profile project focuses her desire to prove her worth even though she secretly fears she's out of her depth. And she absolutely positively isn't going to let her growing attraction to Shelly White derail her career. When passions and ambitions overlap, Shelly and Claire must decide whether mixing business and pleasure can result in a perfect match.

Home Making Lee Matalone, 2020-02-18 An intricate exploration of family and home of mother and child, of friends of women, and written with both precision and style. Weike Wang, author of *Chemistry*. From a talented, powerful new voice in fiction comes a stunning novel about the intersection of three lives coming to grips with identity, family legacy, and what it means to make a house a true home. Cybil is a war child, the result of a brief affair between a young Japanese woman and a French soldier who at a young age is transplanted to Tucson, Arizona, and raised by an American officer and his rigid wife. After a rebellious adolescence, she grows up to become a successful ob-gyn. Chloe, Cybil's daughter, is adrift in an empty house in the hills of Virginia. Her marriage has fallen apart, and her estranged husband is dying of cancer. Room by room, Chloe makes her new house into a home, grappling always with the real and imagined boundaries that limit her as a single, childless woman in contemporary America. Beau, Chloe's closest friend, is in love with a man he's only met on the internet who lives across the country. Shepherd, Chloe's grief, he is often called back to his loud, humid, chaotic childhood in Southwest Louisiana where he first reckoned with the intricate ties between queerness, loneliness, and place. Through each of these characters, Matalone weaves a moving, beautiful narrative of home, identity, and belonging. *Home Making* is a somber yet hopeful ode to the stories we tell ourselves in order to make a family.
