Marina Girl Heather Joy Hampton,2011-04-29 Olivia Michaels knew she was embarking on an adventure when she moved to San Francisco but she had no idea her address would label her a social pariah commonly referred to as a Marina girl The Marina girl is a stereotype of a preppy generic young woman who lives in the tiny neighborhood known as the Marina You need to know about the history of the Marina to understand how and why the Marina girl developed into the albatross of San Francisco After the 1906 earthquake the city pushed all the ashes and rubble north down the steep hills of Pacific Heights creating a landfill adjacent to a former pasture that later became the Cow Hollow neighborhood Hundreds of Mediterranean style homes were constructed in the 1920s on land that jiggled better than Bill Cosbys Jell O when the 1989 earthquake hit Most of the longtime residents moved away leaving yuppie youngsters perhaps less aware of their own mortality to take over the neighborhood Twenty years later the Marina is the playground for San Franciscos worst nightmare otherwise known as the Marina girl

Bombay or Mumbai, if you prefer. I don't want to get in trouble. Is a large soup of humans. No matter where the residents of this city go, something from this city goes with them. In contrast, New York City is a smoothie, a blend, only as delicious as the variety of ingredients used to create it. Here are ten stories that take place in these two cities, starting in the year 2000 and going all the way up to the year 3000. There is a story about a single mother who is as honest as she is hilarious, except this is not the type of humour most people like. There is another story about a man and his two interns who have to investigate a heist, but then they get in too deep and one of them is gone. There is also a story here about carrots and peas. I could tell you the rest, but it is more fun to find out yourself. [Suzy Gershman's Born to Shop New York](#) Suzy Gershman, 2008-08-06 The best known shopping series on the market.
