Before I Met You:

Before I Met You Lisa Jewell, 2013-10-15 In Jazz Age London a tale of a passionate and forbidden interracial romance and the unbreakable bond between a bright young woman and her eccentric grandmother unfolds Before I Met Him John Nicholl, 2018-07-24 A woman lures predators into a deadly trap in this stunning novel of victim turned vigilante Book Reader Magazine When Rebecca's childhood abuser avoids prosecution it sets her on a path to revenge and soon she is handing out retribution on any man who preys on the innocent Twenty three year old Rebecca poses as a child online and sets her trap luring one sex offender after another to their deaths Her thirst for revenge began when her childhood abuser succeeded in avoiding prosecution and now she is handing out retribution on any man who preys on the innocent When a severed head is found washed up on a windswept estuary beach DI Gravel and his team are called in to investigate In what might be his toughest case yet DI Gravel finds himself asking if vigilante justice is ever justified Previously published under the title *A Mind to Kill* Before I Met Him is part of the DI Gravel series though it can easily be read as a stand alone novel *The First Time I Met You* Dean Huseby, 2023-11-01 Over the years I have written several stories Most of them are about experiences with my own immediate family but some have been told to me by my extended family and friends All of them are true In some cases I have changed the names of those involved for obvious reasons Good stories must be preserved so that future generations can enjoy them As a family historian I so wish that I had talked with my parents about their lives It would have been fun to have recorded more of their stories Fortunately I recorded a few of them before they passed away and included them here Besides entertaining the reader with this book I hope it inspires the preservation of your favorite stories Some of these stories will hopefully make you laugh Some may make you cry With others you will shake your head and wonder what these characters were even thinking But then I always think wisdom is obtained by making mistakes and learning from them Some are stories of faith while others are left to fate There will be twists and turns However in the end lessons learned Most involved the first time I encountered another person I have included stories where we experienced something for the first time Just for fun I threw in a few funny family stories for good measure Sometimes I felt a little like Forrest Gump with a few close encounters with historical figures All are short vignettes or as my sister calls them little slices of life So please sit back and enjoy the ride with me *No Love Lost Part Two* Don Savant, 2018-07-03 Real Love Matters However sometimes in the pursuit of someone that loves just as you do or even more we run into some who have no idea how to love or to accept the love that we are trying to give That can go both ways depending on the individuals involved *No Love Lost Part Two* is a continuing poetic journey into Don Savant's attempts to find someone to love that will love him back At the end of the day though there is *No Love Lost* Love in London Lauren Smith, 2025-01-21 British boy meets American girl prepare for one heck of a love revolution Enjoy four novels in the sizzling Love in London series Forbidden A kiss on a snowy night with a tall darkly handsome British stranger changes American college student Kat's life forever But there's more to her sexy stranger

than she ever could have imagined like the fact that he's a future earl Yet she can't say no to him when he flashes those green eyes at her and kisses her Seduction Tristan can't believe the American girl he's fallen head over heels in love with is going to be his new stepsister And his father a powerful earl won't let his heir date just anyone especially an American who doesn't fit his father's idea of a proper bride He'll risk it all to be with Kat even if it means facing his father's wrath when the paparazzi discover his and Kat's secret love affair Climax Tristan and Kat have made their choice they can't be together Too much is at stake after Tristan's father threatens to destroy all they both hold dear Yet as Tristan faces Christmas alone without the girl who holds his heart he decides to go after her even though it might cost him everything even his life Forever Be Mine Carter Martin best friend to Tristan a future earl has never been rich or titled He's had to work hard for everything he's ever had but there's one thing he'll never be able to have and that's Celia Lynton's heart As the daughter of an earl she's far above his social reach yet whenever he touches her flames ignite and things get out of control When she begs him to come with her for a month long trip to Italy he knows he'll never be able to go back to living without But how will he convince her that their forbidden love is worth fighting for
