Beginning And Intermediate Algebra A Guided Approach:

Beginning Algebra: A Guided Approach Rosemary Karr, Marilyn Massey, R. David Gustafson, 2013-12-31 The new edition of BEGINNING ALGEBRA is an exciting and innovative revision that takes an already successful text and makes it more compelling for today's instructor and student. The authors have developed a learning plan to help students succeed in Beginning Algebra and transition to the next level in their coursework. Based on their years of experience in developmental education, the accessible approach builds upon the book's known clear writing and engaging style which teaches students to develop problem solving skills and strategies that they can use in their everyday lives. The authors have developed an acute awareness of students' approach to homework and present a learning plan keyed to Learning Objectives and supported by a comprehensive range of exercise sets that reinforces the material that students have learned, setting the stage for their success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
