Bill Oreilly Terry Gross:

The Art of Connecting Claire Raines, Lara Ewing, 2006 As our workplaces and communities become more diverse in more ways it s more important than ever to focus not on what sets us apart but on what can bring us together Packed with refreshing perspectives and clear examples *The Art of Connecting* shows you how Jacket *Outfoxed* Alexandra Kitty, 2005-04-01 The director of 2004 s smash hit documentary *Outfoxed* Rupert Murdoch s War on Journalism teams with journalist Alexandra Kitty in an even more detailed and updated examination of how media empires led by Rupert Murdoch s Fox News have been running a race to the bottom in television news They examine media consolidation by focusing on the Fox News Channel How did Fox gain prominence How did the Fox News Channel gain audiences and influence public debate How does Fox report reality Is the network merely interpreting events or is it pushing propaganda Who are the main players and how do they treat their friends and enemies Why should readers care about how Fox takes liberties with its facts Each chapter blends interviews from Greenwald s documentary transcripts from Fox programs and other research pertaining to Fox News not only to illustrate the Fox mentality but also to show the factual ethical and structural problems with the news channel Interviews and transcripts are analyzed to give readers a strong sense of what Fox is actually telling its audiences

The Man Who Would Not Shut Up Marvin Kitman, 2013-10-22 Fair Balanced To some Bill O Reilly is a semi demented cable TV talk show host who can be an obnoxious insufferable opinionated rude loudmouth whose views the kinder ones say are typical right wing drivel But there is much more to O Reilly than what meets eye O Reilly is the paradigm of idiosyncrasy in television journalism On the rough road to the top O Reilly learned how to give the public what it wants and thinks it needs From his early education at the hands of nuns to an advanced degree in public policy from Harvard from working at local television stations and rising through the ranks to network news O Reilly spent nearly twenty five years learning his craft before he became an overnight star at Fox News In this very intimate look at the man and what matters to him veteran media critic Marvin Kitman explores all the experiences that led to the making of Bill O Reilly a nonconformist in a business that demands conformity as the price of success and a man who has risen to the top by not playing by the rules of broadcast news Kitman shows that O Reilly is not a knee jerk conservative but an independent freethinker with a mind of his own and he believes what journalism needs is more Bill O Reillys Not screamers the blowhards like the current O Reilly clones rushed on the air since his success but trained journalists reporting the news and telling us why in their opinion the world is a crazy place Supported by twenty nine interviews with O Reilly Marvin Kitman chronicles a descent from reporter of news to spewer of views **Kissing Bill O'Reilly, Roasting Miss Piggy** Ken Tucker, 2007-04-01 According to Ken Tucker television is where the mass culture action really is It s where the weasel goes pop But for such a fluid of the moment democratic yet cool medium a strangling accretion of false pieties half remembered history and misplaced nostalgia has grown up around it the prose equivalent of choking vines In this book Ken Tucker shares his zealous opinions about the best and worst of television

past and present Everyone has firm beliefs about what he loves and hates about TV If TV fans think the high point of televised political wit was M A S H or that Johnny Carson was the true king of late night Ken Tucker does his damndest to convince them that they've been hoodwinked duped by pixelated mists of memory and bad TV criticism His dazzling provocative and entertaining pieces include LOVES James Garner as TV's Cary Grant Pamela Anderson's breasts David Brinkley the only anchor who understood that being an anchor was a hollow ego trip Heather Locklear as the ultimate TV Personality Bill O'Reilly why the biggest asshole on TV is a great TV personality And from his HATE lists The Sopranos as The Great Saga That Sags Miss Peggy as media star Bob Newhart Human Prozac Worst Mothers on TV Star Trek Sci Fi suckiness decked out as utopian idealism His perception and passion about this much maligned medium gives the lie to passive clichés like vegging out in front of the boob tube This book is the TV version of Michael Moore's Stupid White Men or Bill O'Reilly's The No Spin Zone

Culture Warrior Bill O'Reilly, 2007-10-09 With three straight 1 bestsellers and more than 4 million copies of his books in print the most powerful traditional force in the American media now takes off his gloves in the ongoing struggle for America's heart and soul Bill O'Reilly is the very embodiment of the idea of a Culture Warrior and in this book he lives up to the title brilliantly with all the brashness and forthrightness at his command He sees that America is in the midst of a fierce culture war between those who embrace traditional values and those who want to change America into a secular progressive country This is a conflict that differs in many ways from the usual liberal conservative divide but it is no less heated and the stakes are even higher In Culture Warrior Bill O'Reilly defines this war and analyzes the competing philosophies of the traditionalist and secular progressive camps He examines why the nation's motto E Pluribus Unum From Many One might change to What About Me dissects the forces driving the secular progressive agenda in the media and behind the scenes including George Soros George Lakoff and the ACLU and dives into matters of race education and the war on terror He also shows how the culture war has played out in such high profile instances as The Passion of the Christ Fahrenheit 9/11 the abuse epidemic child and otherwise and the embattled place of religion in public life with special emphasis on the war against Christmas Whatever controversies are roiling the nation he fearlessly confronts them and no one will be in the dark about which side he's on Culture Warrior showcases Bill O'Reilly at his most eloquent and impassioned He is an unrelenting fighter for the soul of America and in this book he fights the good fight for the traditional values that have served this country so well for so long

Programming for TV, Radio & The Internet Lynne Gross, Brian Gross, Philippe Perebinosoff, 2012-11-12 Where do program ideas come from How are concepts developed into saleable productions Who do you talk to about getting a show produced How do you schedule shows on the lineup What do you do if a series is in trouble The answers to these questions and many more can be found in this comprehensive in depth look at the roles and responsibilities of the electronic media programmer Topics include Network relationships with affiliates the expanded market of syndication sources of programming for stations and networks research and its role in programming decisions fundamental appeals to an audience and what qualities are tied to success outside forces that influence programming strategies for launching new programs or saving old ones Includes real life examples taken from the authors experiences and 250 illustrations

Teaching Multiwriting Robert L. Davis, Mark F Shadle, 2007-04-23 Formulaic ways to train students in composition and rhetoric are no longer effective say authors Robert L Davis and Mark F Shadle Scholar teachers must instead reinvent the field from the inside Teaching Multiwriting Researching and Composing with Multiple Genres Media Disciplines and Cultures presents just such a reinvention with multiwriting an alternative open approach to composition Seeking to open the minds of both writers and readers to new understandings the authors argue for the supplanting of the outdated research paper assignment with research projects that use multiple forms to explore questions that cannot be fully answered This innovative volume geared to composition teachers at all levels includes sixteen helpful illustrations and provides classroom exercises and projects for each chapter

revealed include Despite the frustration with the peace process and the number of wars of the past few years 74% of Arabs still support a two state solution to the Palestinian Israeli conflict And over one third of Lebanese Saudis and Jordanians think that their governments should do more to advance peace Despite wars in and around their region and the worldwide economic crisis when asked Are you better off than you were 4 years ago 42% of those polled say they are better off 19% worse off Arabs like American people 59% favorable rating values 52% and products 69% giving them all high ratings And Canada gets high favorability ratings everywhere an overall rating of 55% favorable and 32% unfavorable However Arabs overwhelmingly rate American society more violent and war like 77% or less respectful of the rights of others 78% than their own society Why Because of the Iraq war and continuing fallout from Abu Ghraib Guantanamo and the treatment of Arab and Muslim immigrants and visitors to the United States What type of TV show do Saudis and Egyptians prefer to watch The answer is Movies which draws over 50% of the first and second choice votes In Morocco the top rated shows are soap operas and music and entertainment programs drawing almost two thirds of the first and second choice votes Religious programs are near the bottom of the list of viewer preferences garnering less than 10% of votes in all three countries
