Born Yesterday Play Script:

Born Yesterday Garson Kanin, 2002 THE STORY The vulgar egotistic junkman Harry Brock has come to a swanky hotel in Washington to make crooked deals with government big wigs He has brought with him the charming but dumb ex chorus girl Billie whose lack of social graces embarrass [Backstory 2](#) Patrick McGilligan, 1991 Interviews with screenwriters

Playscript , 1971 **Future Indefinite** Noël Coward, 2014-08-22 The definitive account in his own words of one of the most popular figures in British theatre The second and concluding volume of Noël Coward's legendary autobiography includes *Future Indefinite* and the unfinished *Past Unconditional* With his trademark wit Coward delivers anecdotes about his travels in South America Hollywood encounters with an array of contemporary stars and directors and his later theatrical successes including the Broadway triumph of *Design For Living* The showbiz glamour aside we also encounter a middle aged man coming to terms with a world in disarray his confused feelings towards the war and his own part in it exposing a more serious and thoughtful side to a performer and raconteur more usually associated with frivolity *Future Indefinite* sees Coward transformed from a brazen odious little prodigy into one of the most exuberant characters in British theatrical history His writing is superb his precise languid drawl put down on the page *Daily Express* *S. Sylvan Simon, Moviemaker* David C. Tucker, 2021-01-21 He was Red Skelton's favorite director and mentored Lucille Ball in the art of physical comedy In his 15 year Hollywood career S Sylvan Simon 1910-1951 directed and or produced more than 40 films with stars like Lana Turner Abbott and Costello and Wallace Beery Though he loved to make moviegoers laugh he demonstrated his versatility with murder mysteries war stories and musicals After a decade at MGM he moved to Columbia where he produced his own projects including the Western melodrama *Lust for Gold* and popular slapstick comedies like *The Fuller Brush Girl* As head of production reporting to irascible Harry Cohn he produced the award winning *Born Yesterday* and was working on *From Here to Eternity* when his life ended tragically at the age of 41 This first ever account of Simon's life and career draws on interviews with family and colleagues genealogical records archival materials and his own annotated scripts to tell the story of a stage struck boy from Pittsburgh whose talent and tenacity made him a Hollywood success The filmography provides production histories critical commentary and excerpts from published reviews An appendix covers books written or edited by Simon including his anthologized plays for amateur groups **Video Versions** Thomas L. changing to meet economic and creative challenges This title probes the working methods of a diverse range of screenwriters to explore how they come up with their ideas how they go about adapting a stage play or work of fiction and whether their variegated life experiences contribute to the success of their writing **George Cukor's People** Joseph McBride,2024-12-17 The director of classic films such as Sylvia Scarlett The Philadelphia Story Gaslight Adam s Rib A Star Is Born and My Fair Lady George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman s director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that s your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor s actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways

that seem strikingly modern today McBride shows that Cukor's seemingly self-effacing body of work is characterized by a discreet way of channeling his feelings through his actors. He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden. Cukor's wry wit, his keen sense of psychological and social observation, his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood. George Cukor's *People* gives him the in-depth multifaceted examination his rich achievement deserves.

Katharine Hepburn Grace May Carter, 2016-06-18 Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress the most ever and made classic films *The African Queen*, *The Philadelphia Story* and *Guess Who's Coming to Dinner* that still rank among the greatest of all time. She also exerted a singular influence on American popular culture, challenging rigid assumptions about how women should behave and almost single-handedly gave them permission to wear pants. The list of adjectives used to describe Hepburn—bold, stubborn, witty, beautiful—only begin to hint at the complex woman who entranced audiences around the world; she could also be controlling, selfish, and self-righteous. So here is the full epic story of the patron saint of the independent American female as one critic described her, from her breakthrough in Hollywood in the early 1930s to *On Golden Pond* in the 1980s to her dramatic affairs with Howard Hughes and Spencer Tracy and beyond. With her distinctive patrician voice and tsunami-force personality, Hepburn always lived life strictly on her own terms. And oh, what a life it was.
