Now Hiring Nicole C. Jones Young, 2022-07-11 *Now Hiring* allows readers to consider their individual biases as well as organizational employment practices and processes and assess how these factors may be altered to increase hiring for individuals with a criminal history prompting conversations surrounding current hiring systems **Changing Contours of Work: Jobs and Opportunities in the New Economy** Stephen Sweet, Peter Meiksins, 2013 In the highly anticipated second edition of *Changing Contours of Work Jobs and Opportunities in the New Economy* authors Sweet and Meiksins once again provide a rich analysis of the American workplace in the larger context of an integrated global economy Through engaging vignettes and rich data this text frames the development of jobs and employment opportunities in an international comparative perspective revealing the historical transformations of work and identifying the profound effects that these changes have had on lives jobs and life chances This text brings into focus the many complexities of class race and gender inequalities in the modern day workplace as well as details the consequences of job insecurity and work schedules mismatched to family needs Throughout strategic recommendations are offered that could help make the new economy work for us all **Crawlers** John Shirley, 2007-12-18 In a secret government lab somewhere in Nevada a young scientist cowers in darkness waiting listening and calculating his chances of surviving the unspeakable carnage that has left him trapped and alone Or almost alone Soon after a covert military operation cleanses all traces of a top secret project gone horrifically wrong Three years later it begins again when the quiet of a warm autumn night in a sleepy California town is shattered by a streak of light across the sky the thunder of impact and the unleashing of something insidious Spreading multiplying and transforming everything in its path this diabolical intelligence will not be denied until the townsfolk and eventually all living things are conquered Until they are all crawling Changing Contours of Work Stephen Sweet, Peter Meiksins, 2015-12-16 In the Third Edition of *Changing Contours of Work Jobs and Opportunities in the New Economy* Stephen Sweet and Peter Meiksins once again provide a rich analysis of the American workplace in the larger context of an integrated global economy Through engaging vignettes and rich data this text frames the development of jobs and employment opportunities in an international comparative perspective revealing the historical transformations of work the old economy and the new economy and identifying the profound effects that these changes have had on lives jobs and life chances The text examines the many complexities of race class and gender inequalities in the modern day workplace and details the consequences of job insecurity and work schedules mismatched to family needs Throughout the text strategic recommendations are offered to improve the new economy Making Fast Food Ester Reiter, 1991-09-03 The flourishing fast food industry represents one particular blueprint of how to live Reiter analyses the profound consequences of this blueprint for many spheres of life women s work youth employment the labour movement the family and the community Since the 1970s young people and women have increasingly entered the job market in low waged service sector jobs Family life she explains has changed

dramatically in the last forty years as many activities that were traditionally part of the home have been replaced by services available in the marketplace The production of meals and those who produce them have moved from the family kitchen to the highly regulated corporate workplace where workers are like the interchangeable parts of a machine *On the Job* Craig Heron, Robert H. Storey, 1986 Every day millions of Canadians go out to work They labour in factories offices restaurants and retail stores on ships and deep in mines And every day millions of other Canadians mostly women begin work in their homes performing the many tasks that ensure the well being of their families and ultimately the reproduction of the paid labour force Yet for all its undoubted importance there has been remarkably little systematic research into the past and present dynamics of the world of work in Canada *Employment Relations in the Hospitality and Tourism Industries* Rosemary Lucas, 2004 This timely book is one of the first of its kind to consider contemporary issues such as skills shortages labour turnover and training as well as changes in employment protection law in different areas of the hospitality industry
