Short Cycle Assessment Susan Lang, Betsy Moore, Todd Stanley, 2013-09-27 This book shows you how to improve student achievement by providing them with frequent feedback on their work It provides a step by step process to help you write good questions that assess student learning design your own formative assessments administer short cycle assessments analyze and use data to shape instruction prepare your students for high stakes tests and includes activities and forms to walk you through the process step by step

Critical Thinking and Formative Assessments Todd Stanley, Betsy Moore, 2013-09-05 Develop your students critical thinking skills and prepare them to perform competitively in the classroom on state tests and beyond In this book Moore and Stanley show you how to effectively instruct your students to think on higher levels and how to assess their progress As states implement the Common Core State Standards teachers have been called upon to provide higher levels of rigor in their classrooms Moore and Stanley demonstrate critical thinking as a key approach to accomplishing this goal They explore the benefits of critical thinking and provide the tools you need to develop and monitor critical thinking skills in the classroom Topics include The Difference Between Higher Level and Lower Level Thinking Writing Higher Level Thinking Questions Assessing Critical Thinking Strategies to Develop Higher Level Thinking Skills

From Rigorous Standards to Student Achievement Laura Mc Cullough, 2013-09-27 This book showcases strategies which support teachers and principals as they implement high standards for students At the same time it demonstrates how to meet the needs of diverse learners

The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-07-27 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content
