Blind Swimmer An Eibonvale Press Anthology:

Blind Swimmer - An Eibonvale Press Anthology (Paperback) David Rix, 2010-08 Eibonvale Press came into being in the winter of 2005 in a tiny Slovenian mountain town at the hands of David Rix who sat down one day and decided Today I am going to make a book The fact that he knew a lot about books but nothing at all about the book world somehow failed to make that dream flicker away like most dreams and the slow crescendo of Eibonvale Press continued from there and is still continuing That quiet and lonely winter in the Slovenian mountains still doesn't seem so far away as the press continues its search for the bizarre the unclassifiable and the strange in new writing in the process working with some of the best writers in the UK and elsewhere Now this new book provides a chance to look back a bit and define Eibonvale Press as an entity Blind Swimmer collects together 11 stories most never before published by all the writers who have made up or will soon make up the Eibonvale Press family The result is a book that is as varied as the press itself Creativity in Isolation was the theme we set and the results are as varied as the writers themselves Different takes on what creativity is what isolation is and whom we are talking to as we tell our tales in the wilderness The stories stretch from classically tinged horror to urban strangeness to experimental fiction and surrealism From short stories to full length novellas From the wilderness of Britain and Sweden to the equal wilderness of the American urban landscape Blind Swimmer is a unique and spectacular journey through the flip side of contemporary writing The book has a forward by Joel Lane and an introductory essay by David Rix
