Behind The Backlash Muslim Americans After 9 Or 11:

Behind the Backlash Lori Peek, 2011 How Muslim American identity has been shaped by 9 11 and its after effects

Thomas Jefferson's Qur'an Denise Spellberg, 2014-07-01 In this original and illuminating book Denise A Spellberg reveals a little known but crucial dimension of the story of American religious freedom a drama in which Islam played a surprising role In 1765 eleven years before composing the Declaration of Independence Thomas Jefferson bought a Qur'an This marked only the beginning of his lifelong interest in Islam and he would go on to acquire numerous books on Middle Eastern languages history and travel taking extensive notes on Islam as it relates to English common law Jefferson sought to understand Islam notwithstanding his personal disdain for the faith a sentiment prevalent among his Protestant contemporaries in England and America But unlike most of them by 1776 Jefferson could imagine Muslims as future citizens of his new country Based on groundbreaking research Spellberg compellingly recounts how a handful of the Founders Jefferson foremost among them drew upon Enlightenment ideas about the toleration of Muslims then deemed the ultimate outsiders in Western society to fashion out of what had been a purely speculative debate a practical foundation for governance in America In this way Muslims who were not even known to exist in the colonies became the imaginary outer limit for an unprecedented uniquely American religious pluralism that would also encompass the actual despised minorities of Jews and Catholics The rancorous public dispute concerning the inclusion of Muslims for which principle Jefferson's political foes would vilify him to the end of his life thus became decisive in the Founders' ultimate judgment not to establish a Protestant nation as they might well have done As popular suspicions about Islam persist and the numbers of American Muslim citizenry grow into the millions Spellberg's revelatory understanding of this radical notion of the Founders is more urgent than ever Thomas Jefferson's Qur'an is a timely look at the ideals that existed at our country's creation and their fundamental implications for our present and future

Scapegoating Islam Jeffrey L. Thomas, 2015-09-15 Exploring the experience of Muslims in America following 9 11 this book assesses how anti Muslim bias within the U S government and the larger society undermines American security and democracy In the aftermath of the events of September 11 2001 Muslims in America have experienced discrimination and intolerance from the U S government and American citizens alike From religious and ethnic profiling to hate crimes intolerance against Muslims is being reinforced on multiple levels undercutting the Muslim community's engagement in American society This text is essential for understanding how the unjust treatment of American Muslims following September 11 has only served to alienate the Muslim community and further divide the United States Authored by an expert analyst of policy for 20 years this book explores the prejudice against Muslims and how the actions of the U S government continue to perpetuate fear and stereotypes within U S citizens The author posits that by respecting the civil rights of Muslims the government will lead by example in the acceptance of American Muslims improving homeland security along with the lives of Muslims living in the United States

Learning Challenges for Culturally and

Linguistically Diverse (CLD) Students With Disabilities Fallah, Soraya, Reynolds, Bronte, Murawski, Wendy, 2020-01-10

When children with learning challenges are identified the educational community in the United States diligently applies a well established model of remediation that has for the most part yielded positive results Research however has demonstrated that the American perception of disability may vary from those in Eastern cultures These cultural differences can play a significant role in the failure to achieve learning success on behalf of children from the Middle East North Africa and Southwest Asian MENASWA families It is critical for the school community to recognize and acknowledge these differences and bring them into alignment in order to meet these students learning needs Learning Challenges for Culturally and Linguistically Diverse CLD Students With Disabilities is an essential reference publication that identifies ways in which CLD families can be involved with schools to help build educators cultural competence and explores the idea of disabilities as a social model with a focus on strengths rather than a medical model focused on needs and weaknesses Featuring coverage on a wide range of topics including racial identity leadership wisdom and family school collaboration this book is ideally designed for educators principals administrators curriculum developers instructional designers policymakers advocates researchers academicians and students

A Global Racial Enemy Saher Selod, Inaash Islam, Steve Garner, 2023-11-28
Prejudice against Muslims has a long and complex history In recent decades discrimination violence and human rights abuses against Muslims have taken a significant turn with rising reports and discussions of Islamophobia across the globe However much of the conversation has missed the key features of this increasingly insidious phenomenon This original book puts race at the center of the analysis exposing the global racialization of Muslims With special attention paid to the United States China India and the United Kingdom the authors examine both the unique national contexts and crucially the shared characteristics of anti Muslim racism They uncover how a range of counterterrorism policies from hyper surveillance to racialized policing and the ensuing representation of Islam have taken a decisive role in shaping social life for Muslims and have worked across borders to justify and institutionalize an acceptable state sponsored face of racism Ultimately A Global Racial Enemy argues that anti Muslim animus is a symptom of a global and powerful form of twenty first century racism

The Fear of Islam, Second Edition Todd H. Green, 2019-09-03 The Fear of Islam investigates the context of Western views of Islam and offers an introduction to the historical roots and contemporary anxiety regarding Islam within the Western world Tracing the medieval legacy of religious polemics and violence Green orients readers to the complex history and issues of Western relations to Islam from early and late modern colonial enterprises and theories of Orientalism to the production of religious discourses of otherness and the clash of civilizations that proliferated in the era of 9 11 and the war on terror In this second edition Green brings the reader up to date examining the Islamophobic rhetoric of the 2016 US presidential election and the ongoing success of populist and far right parties in Europe Green provides updated data on the rise of anti Muslim legislation for example the Muslim ban in the United States and a wave of full face veil bans in Europe as well as the rise in
