Being Nobody Going Nowhere Meditations On The Buddhist Path:

Being Nobody, Going Nowhere Khema, 2005-06-10 In this lucid classic beloved teacher Ayya Khema introduces the reader to the essence of the Buddhist path. She addresses the how and why of meditation providing a clear framework for understanding the nature of karma and rebirth and the entirety of the eightfold path. With specific practical advice Ayya Khema illuminates the practices of compassion and sympathetic joy and offers forthright guidance in working with the hindrances that we all encounter in meditation. Few introductory books are both simple and profound. *Being Nobody Going Nowhere* is both. **Being Nobody, Going Nowhere**, 2005 *Being Nobody Going Nowhere* is the winner of the Christmas Humphreys Award for Best Introductory Buddhist Book. In this new edition of her classic best-selling book Ayya Khema gives clear practical instruction on meditation and techniques for overcoming counterproductive mental habits and beliefs. Through the simple practices detailed here one can develop deeper insight, a sense of calm well-being and a greater capacity to love and feel loved on a daily basis. This incredible book also includes an eloquent, sparkingly lucid outline of the Buddhist path that can be understood and enjoyed by everyone. **Being Nobody, Going Nowhere** Geshe Tashi Tsering, Ayya Khema, 2010-10 In this new edition of her classic best-selling book Ayya Khema gives clear practical instruction on meditation and techniques for overcoming counterproductive mental habits and beliefs. Evocative of the great Ajahn Chah, her teachings are earthy, refreshingly direct and hard-hitting. In the twentieth century she grew to become one of the most famous teachers in Thailand, male or female, all the more remarkable because rarer still she was not a monastic but a layperson. Her relentless honesty along with her encouraging voice is one reason so many contemporary Buddhist teachers recall Upasika Kee so fondly and so often. With this book readers seeking something reminiscent of the classic *Mindfulness in Plain English* can receive instruction on meditation practice as they become acquainted with the legacy of a renowned Buddhist figure. *Pure and Simple*, the first widely available collection of her writings, will be gratefully received not only by those who knew Upasika Kee but by anyone who encounters her for the first time in its pages. *Buddhist Meditation in Stress Management* Frits Koster, 2007-10-20 This book gives insight into the many aspects of stress and shows how we can develop skillful ways to deal with stress and prevent burnout and other stress-related complaints. The author examines the various forms of stress we experience at work and in our private

lives giving particular attention to the causes of stress He also explains the important role that awareness plays in managing and preventing stress then looks at insight meditation as a practical method of mindfulness training and a way to inner freedom After describing the benefits of insight meditation he reveals how it can improve our energy management and help us recover from or prevent burnout
