Benedict Xvi Portraits:

Benedict XVI Peter Seewald,2008 In the person of Pope Benedict XVI one of the most significant of Europe s intellectuals is heading up the Vatican The journalist Peter Seewald who has known Ratzinger since 1992 conducted the longest interviews in church history with him for two b *Pope Benedict XVI* Vincent Twomey,2009-09-03 Fr D Vincent Twomey a former doctoral student of Joseph Ratzinger and long time friend of the Pope felt the need to respond to the common question he heard often after the papal election What kind of person is the new Pope So often Twomey had read false depictions of both the man and his thought especially the image presented by the media as a grim enforcer Twomey offers here a unique double presentation of the man Pope Benedict XVI a theological portrait that encompasses both an overview of the writings teachings and thought of the brilliant theologian and spiritual writer as well as the man himself and his personality traits and how he communicates with others Twomey shows that the secret to the serene dignified behavior of Benedict is that he is open to beauty as much as truth that he lives outside himself and is not preoccupied with his own self He also is a man that Twomey says has the courage to be imperfect showing he has a deep humility and strives for teaching the truth even when misunderstood or not presented as well as he would like Fr D Vincent Twomey S V D holds a PH D in Theology and is a Professor of Moral Theology at the Pontifical University at St Patrick s College in Ireland He is the author of several books including his most recent acclaimed study on the state of Irish Catholicism *The End Of Irish Catholicism*

Pope Benedict XVI Heinz-Joachim Fischer,2005 Vatican correspondent for over twenty years and an intimate colleague of Joseph Ratzinger writes the definitive book on the remarkable career personality and future of the new Pope **Subdued Fires** Garry O'Connor,2013-03-25 Omaha Beach June 6 2004 A delegation sent by John Paul II from the Vatican to commemorate the 60th anniversary of D Day is headed by Joseph Ratzinger a former Nazi youth who while resident in Rome for the previous 23 years is known as The Panzer Cardinal Ratzinger insisted on being at the commemoration Garry O Connor s biography begins here And what is revealed from that point is an extraordinary figure a man who a year later would be Pope something no one predicted at the age of 78 How did 12 years of Nazi rule affect the young Ratzinger Did it inform his stand on religious persecution famine and poverty war and its consequences climate change stem cell research and biological engineering marriage and the family abuse by priests abortion contraception women priests homosexuality declining ordinations and Church attendance in Western Europe And is it relevant to his astonishing resignation in February 2013 There is no one better qualified than Gary O Connor author of the international best seller *Universal Father a Life of Pope John Paul II* to tell this remarkable story **Labourer in the Vineyard** Greg Watts,2005 On April 19 2005 a new pope was presented to the world As the crowds cheered the questions were already forming Who was Benedict XVI What were his priorities Where would he lead the Church Many felt they knew him already For over two decades he was the Vatican s enforcer the man responsible for maintaining Church doctrine The words conservative and hardline were used in most media

dispatches Many welcomed his election feeling that he would continue the legacy of John Paul II Others feared that under his leadership the Church would not move forward to engage with a changing world In this lively new biography Greg Watts offers an engaging portrait of the new pope looking at his background beliefs priorities and leadership style and the direction in which he might lead the Church

Benedict of Bavaria Brennan C. Pursell,2008 Just in time for the Pope s April 2008 visit to the US Highlighting a little known personal side of Pope Benedict XVI this book places him in the context of his homeland Bavaria a place which Brennan Pursell has come to know well through extensive travel and study over the last 12 years Explore the extraordinary brilliance of Pope Benedict s mind and the universality of his vocation within the context of his identity as a simple Bavarian son Includes color photos and a rare look at a day in the life of the Pope Benedict of Bavaria took two years to write and was born of an overwhelming desire Dr Pursell felt to make the life and work of his favorite theologian better known to the American reading public Much of the media coverage about the Pope has demonstrated a general lack of knowledge about the culture that contributed so decisively to his youth and formation This book helps change that Since 2001 Pursell has served as a professor of history at DeSales University a Catholic liberal arts college in eastern Pennsylvania where he teaches a wide range of courses in European history and leads summer tours of Bavaria for students and community members

God's Choice

George Weigel, 2009-10-13 George Weigel's New York Times bestselling biography of Pope John Paul II *Witness to Hope* set the standard by which all portraits of the modern papacy are now measured. With *God's Choice* he gives us an extraordinary chronicle of the rise of Pope Benedict XVI as well as an unflinching view of the Catholic Church at the dawn of a new era. When John Paul II lapsed into illness for the last time, people flocked from all over the world to pray outside his apartment. He had become a father figure to millions in a world bereft of strong paternal examples, and those millions now felt orphaned. After more than twenty-six years of John Paul II's guidance, the Catholic Church is entering a new age with its bedrock traditions intact but with pressing questions to address in a rapidly changing world. Beginning with the story of John Paul's final months, *God's Choice* offers a remarkable inside account of the conclave that produced Benedict XVI as the next pope, drawing on George Weigel's unrivaled access to this complex event. Weigel also incisively surveys the current state of the Church around the world: its thriving populations in Africa, Latin America, and parts of the post-communist world; its collapse in western Europe; its continued struggles in Asia; and the vibrancy of many aspects of Catholic life in the United States, even as the Church in America struggles to overcome its recent experience of scandal. Reflecting on John Paul II's greatness, drawing on firsthand interviews to paint an intimate portrait of the new Pope, and boldly assessing the Church's current condition, *God's Choice* is an invaluable book for anyone seeking to understand the Catholic future and the larger human future the Church will help to shape.
