Almost Home My Life Story Vol 1:

Almost Home Damien Echols, 2005-06 *Almost Home* is a message to you from a faraway place It is a message from a 12 foot by 9 foot cell in a cinderblock building surrounded by coils of razor wire in the middle of a dirt field in Arkansas It was written by a young man named Damien Echols and it chronicles his life and his experiences in a way that clearly illuminates him not as a monster but as a human being For over 10 years Damien has been an inmate on death row for a crime he did not commit He along with Jason Baldwin and Jessie Misskelley have become known as The West Memphis Three and though the story of their arrest and conviction is widely known most people don't know the real people behind the sound bites and the TV news segment clips Damien has spent much of his time behind bars diligently maintaining his integrity and his sanity by writing *Almost Home* is the product of that self discipline and in it you will meet someone who has survived an ordeal many of us would find impossible to live through There are a few who still believe that Damien is a devil worshipping child killer but as time passes and more facts rise to the surface it becomes even more clear that he is the victim of a peculiar species of hysteria Read this book and know the truth about him It is an urgent message from death row the whole story of who Damien Echols really is

Abomination: Devil Worship and Deception in the West Memphis Three Murders William Ramsey, 2013-12-06 *Abomination Devil Worship and Deception in the West Memphis Three Murders* provides a detailed time lined analysis of the murder that shocked the nation the heinous killing of three eight year old boys in West Memphis Arkansas on May 5th 1993 A wall of deception has led the American public to erroneously believe that the three men were falsely accused and convicted for the crime Unfortunately this is not true William Ramsey author of *Prophet of Evil Aleister Crowley* 9 11 and the New World Order provides shocking insights into the lives of the convicted murderers and their involvement with witchcraft Relying on actual court and police records William Ramsey shows that the evidence abundantly points to the guilt of the West Memphis Three

arrogant businessman hints at his cruelty and self absorption In The Romance of Certain Old Clothes and The Last of the Valerii James begins to work with the supernatural and fantastic motifs that would continue to surface in his work Early examples of James s lifelong fascination with art and artists include A Landscape Painter about a young painter s attraction to a seemingly simple family living in a desolate coastal town and The Madonna of the Future where an aging artist avoids the unveiling of his masterpiece Adumbrating later triumphs and compelling in their own right these stories reveal and accomplished and cosmopolitan young talent mastering the art of the short story LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **Best Short Stories Omnibus - Volume**
