One Blood John Perkins, 2018-04-03 Dr Perkins final manifesto on race faith and reconciliation We are living in historic times Not since the civil rights movement of the 60s has our country been this vigorously engaged in the reconciliation conversation There is a great opportunity right now for culture to change but it cannot be done without the church The church is the heart and moral compass of a nation To turn a country away from God you must sideline the church To turn a nation to God the church must turn first Racism won't end in America until the church

is reconciled first Then and only then can it spiritually and morally lead the way In this his crowning work Dr Perkins speaks honestly to the church about reconciliation discipleship and justice and what it really takes to live out biblical reconciliation
