Mosby's Tour Guide to Nursing School Melodie Chenevert,2010-01-28 Encouraging user friendly and altogether unique Mosby's Tour Guide to Nursing School encourages you to not only survive nursing school but excel in whichever program you select Throughout the book Dr Chenevert compares your journey through nursing school to a road trip and she offers advice to increase your understanding help you successfully navigate obstacles and make your journey more enjoyable You ll learn how to prepare for the NCLEX and your nursing career how to get good grades how to deal with failure how to improve oral and written reports and much more A must have for every nursing student Endorsed by the National Student Nurses Association NSNA Written by a nationally known motivational speaker and nurse the book's down to earth approach uses humor and clever analogies to clearly teach the information you need to know Uses the analogy of a cross country road trip to help you see the relationships between different aspects of nursing school as well as give you a finite view of its duration and end result Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates The appendix lists numerous diverse resources you ll find useful before during and after nursing school Electronic Age

Information covers distance learning online courses and podcasts facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX chapter, Chapter 29, "Are We There Yet?" Almost provides you with the tools you need to prepare for and pass the NCLEX. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today's workforce and the non-traditional student. Thorough coverage of ADN, BSN, and RN-BSN programs, program prerequisites, differences, and more helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real-world advice.

Mosby's Massage Therapy Review - E-Book Sandy Fritz, 2009-06-16. No other massage review book offers such complete exam preparation. Written by massage therapy expert Sandy Fritz, this preparation tool offers more review content and questions than any other massage certification review. It gives you the practice and study tools you need for the NCE and MPLEx certification exams, state exams, and even mid-term or final exams. With complete coverage of the information you need to know to study more effectively and take tests more successfully, it helps you memorize terms, definitions, and key facts, all with an emphasis on critical thinking skills, a key part of any licensure or certification exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,300 review questions include the two types of questions on the NCE: factual recall and comprehension. Content review includes a detailed review of body systems and their applications to massage. A new five-step review process lets you identify areas that need more attention as you study and prepare. Tips for studying and test-taking, what to memorize, how to apply concepts, and think critically help you hone test-taking skills better than ever before. A full-color design features 100 new illustrations showing massage techniques and Anatomy Physiology.
