Baker, 2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiahs return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegrooms return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesus return Come prepared to dig deep into scriptures and look forward to Jesus return **Daniel** Beth Moore, 2006 *Habakkuk* Dannah Gresh, 2020-09-01 Why does God seem silent when I need Him most The prophet Habakkuk faced great storms in life His fears of the future crippled him with doubt and left him questioning God How is it then that he is now a shining example of how the righteous live by faith Learn how the storms of life can become opportunities to activate your faith in Habakkuk Remembering the Faithfulness of God When He Seems Silent You ll study the book of Habakkuk which maybe you ve never done before and discover how remembering is essential to understanding the faithfulness of God Through daily Scripture prayer and meditation you ll enter the life of this prophet and Gain freedom to express your fear and frustration to God Remember that God is at work even when He seems silent Increase your capacity to practice the art of waiting on God Learn how to navigate through the storms of life to live free from fear and full of joy This six week study provides daily interactive

What Possible Good? Bill Trout,2020-04-14 In the midst of our own intense storms of life we desperately search for an anchor of hope This book by author Bill Trout takes us on a journey towards gaining a better understanding of our pain and suffering We will find that God alone is the one true steadfast anchor that we seek Believers in Jesus are firmly secured to God as our anchor by a heavenly chain of very strong links One of the most vital links is found in the answer to the following question What possible good could come from our suffering There is great news God can and does turn bad things into good things for us To see him at work in our lives we need to ask God to open our spiritual eyes To improve our vision of the Master Potter at work we will look through a number of different spiritual lenses Each lens will permit us to see a different Biblical perspective of viewing our pain and suffering Not only will we see a broad range of the possible causes and sources of our trials but also we will discover additional links in the chain of hope which may have eluded us thus far Though we have a natural tendency to blame God for our pain and suffering we will learn that the devil is the primary cause for most of the trials we face But more great news As we grow in our faith and trust in God we realize that he is an expert at turning the tables on all of the devil s deceptive schemes to tempt torture and destroy us God clearly works for the good of the those who love him who are called according to his purpose Romans 8:28 He is the master of turning potential defeat into decisive victory If we hold tight to him as our anchor we can safely and securely ride out all of the storms of life until we reach that promised eternal heavenly shore
