Awesome work!
I can tell you put a
lot of effort into
using a range of
sentence types to keep
the reader engaged,
just like the author!

To make your
writing even
stronger, just check
that you're using
connectors in the
right place in your
complete sentences.

Something I did
really well was
use sequence words
to start each
paragraph.

My next step is
to carefully read
over my writing
so that it flows
and makes
sense.

Better But Not Well Better But Not Well:

Better But Not Well Richard G. Frank, 2006 The past half century has been marked by major changes in the treatment of mental illness important advances in understanding mental illnesses increases in spending on mental health care and support of people with mental illnesses and the availability of new medications that are easier for the patient to tolerate Although these changes have made things better for those who have mental illness they are not quite enough Ed *The Affordable Care Act and Integrated Behavioural Health Care* Ford H. Kuramoto, Francis K.O. Yuen, 2017-10-02 This book provides a scholarly discussion of arguably the most important advance in U S public health services since Medicare 50 years ago how the Federal program known as the Patient Care and Affordable Care Act of 2010 ACA or Obamacare became law It addresses ACA in terms of its impact on improving health and behavioural health services for key diverse populations in America including people with disabilities consumers women racial and ethnic minorities and veterans and their families From the very beginning ACA was controversial and the topic of heated political debate at both state and national levels This book examines more closely how the legislation was developed including the political history of the act the many advocacy efforts at the national level and the community based action strategies at the grassroots level how ACA will affect a broad cross section of America the integration of health and behavioural health services as a key component of ACA the financing of ACA and parity for behavioural health services This book was originally published as a special issue of the Journal of Social Work in Disability Rehabilitation Social Work and Social Development James Midgley, Amy Conley, 2010-05-19 A highly original exposition of developmental social work theory and practice providing a definitive guide to an emerging and exciting new approach to practice *The Joy of Leadership* Tal Ben-Shahar, Angus Ridgway, 2017-08-07 Think of the last time you were at your best and working in the zone Now compare that to all the time you've spent just going through the motions How would you quantify the difference between the two in terms of how you felt and what you produced Would you rate it as a 5% difference a 50% difference Most people would describe the gulf between those two states of being as vast as deep and wide as the Grand Canyon For quality of experience engagement productivity and just the sheer joy of living the majority of people asked to rate the difference between flourishing and floundering found it to be around a factor of 10 In their work with managers and executives at leading companies around the world authors Tal Ben Shahar and Angus Ridgway have identified a select group of individuals who consistently perform at their peak and who make work seem effortless and working with them feel easy The name they've given to those lucky few is 10X Leaders You know who they are They're the team leaders who bring out the best in everyone They're the senior managers who drive growth and innovation They're the dream bosses dream partners and dream colleagues There's a good chance you've encountered at least one 10X leader in your career you're probably thinking of one right now And you wondered how they did it Dr Ben Shahar and Mr Ridgway believe they know the answer They have identified the core characteristics behaviors and cognitive styles that all 10X leaders share Even better

they've developed a way for virtually anyone to cultivate those traits and ways of thinking in themselves to become happier more effective and more successful In this powerful new book they describe their revolutionary SHARP Strength Health Absorption Relationships and Purpose program for becoming a 10X leader They tell you the true stories of people at organizations around the globe who've become more effective by learning to use these performance multipliers And they offer proven strategies for mastering those characteristics and habits for lasting change the kind of change that can bring you greater fulfillment and success not just at work but in every area of your life *Bayesian Data Analysis* Andrew Gelman, John B. Carlin, Hal S. Stern, David B. Dunson, Aki Vehtari, Donald B. Rubin, 2013-11-27 Winner of the 2016 De Groot Prize from the International Society for Bayesian Analysis Now in its third edition this classic book is widely considered the leading text on Bayesian methods lauded for its accessible practical approach to analyzing data and solving research problems *Bayesian Data Analysis Third Edition* continues to take an applied **Report** Vermont.
