Beyond E Learning Beyond E Learning:

Beyond E-Learning Marc J. Rosenberg, 2005-12-13 A follow up to his best selling E Learning Beyond E Learning explains the most current thinking on how organizations learn and apply what they know to be successful and explores the increasingly important role that technology plays not as an end in itself but as a vital means to get there The book also provides a clear path for helping to integrate learning including e learning knowledge management and performance support and will help training professionals and the organizations they serve go beyond common myths and misconceptions about training and e learning focus training learning activities directly on organizational know how and implement a framework that can at last be a catalyst for true organizational learning

Michael Allen's 2009 E-Learning Annual Michael W. Allen, 2009-03-16 Michael Allen's 2009 e Learning Annual Alarming Disquieting Insightful Constructive Brazen No rehash of the same old principles and perspectives here Michael Allen's Annuals probe and question common practices in search of solid guidance for success with e learning and this edition is no exception As organizations universally turn to e learning to reduce costs and meet their learning and performance needs they make many regrettable mistakes mistakes that can be avoided but rarely are because common sense leads to them The 2009 Annual once again provides an important collection of the most current insights and best practices that will help both educators and workplace learning leaders create purchase and apply quality e learning programs more effectively It provides a wealth of applicable examples and guidance for all persons contemplating e learning from the student to the professional It frankly and objectively presents lessons learned and the critical steps to success Michael Allen's 2009 e Learning Annual is part of the Pfeiffer Annual series first published in 1972 Praise for Michael Allen's 2009 e Learning Annual A good kick in the pants for e learning professionals Michael Allen's latest Annual challenges a few notions about e learning with a keen selection of authors and topics that creates an invigorating state of the industry chock full of insights you can use right now Matthew Jones vice president Leadership Development and Training Essilor USA An excellent collection of opinions and insights into the current and future direction of the e learning industry These thought provoking papers make it very apparent there is a vast amount of knowledge and passion that will continue to drive the development of the industry Cody Cluff senior e Learning manager HSBC Asia Pacific A phenomenal resource that captures the principles and practices that lead to highly effective e learning all in one place Corinne Miller former director Motorola University and founder InnovatingResults Inc

E-Learning Sergio Kofuji, Elvis Pontes, Adilson Guelfi, 2012-03-14 Adaptive E learning was proposed to be suitable for students with unique profiles particular interests and from different domains of knowledge so profiles may consider specific goals of the students as well as different preferences knowledge level learning style rendering psychological profile and more Another approach to be taken into account today is the self directed learning Unlike the adaptive E learning the Self directed learning is related to independence or autonomy in learning it is a logical link for readiness for E learning where students pace their classes
