Allison Park Ranger Sarah Belle:

Allison Sarah Belle, 2015-12-16 Sarah Belle lived for several years at one of the state parks that rangers worked. Their lives seemed blessed or cursed with many adventures. Though we didn't have a girl ranger there at the time it seemed that it was a natural jump to put a girl ranger in the park and having to deal with the problems that had heretofore had only plagued the men rangers. I thought it would be interesting to see how she would react. I can say without danger of exaggeration that the life of a ranger isn't dull. The American Kennel Club Stud Book Register, 1953 Walking Home Simon Armitage, 2013-03-25 Describes the author's travels as he walked the Pennine Way through England and stopped each night to give a poetry reading in a different village in return for a place to sleep. **The American Kennel Gazette and Stud Book**, 1922 **An Upland Biography** John Barnatt, Bill Bevan, Mark Edmonds, 2017-02-28 Gardsom's Edge is an area of gritstone upland situated on the Eastern Moors of the Derbyshire Peak District. Like other parts of the Eastern Moors Gardsom's Edge has long been renowned for the wealth of prehistoric field systems, cairns and other structures which can still be traced across the surface. Drawing on the results of original survey and excavation, *An Upland Biography* documents prehistoric activity across this area, exploring the changing character of occupation from the Mesolithic to the Iron Age. It also tacks back and forth between local detail and regional patterns to better understand the broader social worlds in which Gardsom's Edge was set.
