Constitution

The Alpha Phi Alpha Fraternity, Inc. is a fraternal organization of African American college students and graduates. It was founded at Cornell University in 1908 by seven students and has since grown to become one of the largest and most influential fraternities in the world. The fraternity is known for its commitment to scholarship, leadership, and service to the community. It has a long history of promoting the advancement of African Americans in all fields of endeavor. The fraternity is also known for its distinctive blue and white colors and its motto, "We are here to lead." The Alpha Phi Alpha Fraternity, Inc. is a proud member of the National Pan-Hellenic Council (NPHC) and the International Brotherhood of Service Fraternities (IBSF).

Alpha Phi Alpha Gregory S. Parks, Stefan M. Bradley, 2012-01-27 A thoughtful historical and sociological look inside the fraternity that shaped men from W E B DuBois to Martin Luther King Jr to Thurgood Marshall. On December 4, 1906, on Cornell University's campus, seven black men founded one of the greatest and most enduring organizations in American history. Alpha Phi Alpha Fraternity Inc. has brought together and shaped such esteemed men as Martin Luther King Jr, Cornelius West, Thurgood Marshall, Wes Moore, W E B DuBois, Roland Martin, and Paul Robeson. Born in the shadow of slavery and on the lap of disenfranchisement, Alpha Phi Alpha, like other black Greek letter organizations, was founded to instill a spirit of high academic achievement and intellectualism, foster meaningful and lifelong ties, and racially uplift those brothers who would be initiated into its ranks. In *Alpha Phi Alpha*, Gregory S. Parks, Stefan M. Bradley, and other contributing authors analyze the fraternity and its members' fidelity to the founding precepts set forth in 1906. They discuss the identity established by the fraternity at its inception, the challenges of protecting the image and brand, and how the organization can identify and train future Alpha men to uphold the standards of an outstanding African American fraternity. Drawing on organizational identity theory and a diverse array of methodologies, the authors raise and answer questions that are relevant not only to Alpha Phi Alpha but to all black Greek letter organizations.

Black Greek-Letter Organizations 2.0 Matthew W. Hughey, Gregory S. Parks, 2011-02-18 At the turn of the twentieth century, black fraternities and sororities, also known as Black Greek Letter Organizations (BGLOs), were an integral part of what W E B Du Bois called the talented tenth. This was the top ten percent of the black community that would serve as a cadre of educated upper class, motivated individuals who acquired the professional credentials, skills, and capital to assist the race to attain socioeconomic parity. Today, however, BGLOs struggle to find their place and direction in a world drastically different from the one that witnessed their genesis. In recent years, there has been a growing body of scholarship on BGLOs. This collection of essays seeks to push those who think about BGLOs to engage in more critically and empirically based analysis. This book also seeks to move BGLO members and those who work with them beyond conclusions based on hunches, conventional wisdom, intuition, and personal experience. In addition to a rich range of scholars, this volume includes a kind of call and response feature between scholars and prominent members of the BGLO community.

African American Fraternities and Sororities Tamara L. Brown, Gregory S. Parks, Clarendia M. Phillips, 2012-02-29 The rich history and social significance of the Divine Nine African American Greek letter organizations is explored in this comprehensive anthology. In the long tradition of African American benevolent and secret societies, intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members, exerting considerable influence in the African American community, and being in the forefront of civic action, community service, and philanthropy. Dr. Martin Luther King Jr, Toni Morrison, Arthur Ashe, and Sarah Vaughn are just a few of the trailblazing members of these organizations. *African American Fraternities and Sororities* places the history of

these organizations in context linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement It explores various cultural aspects of the organizations such as auxiliary groups branding calls and stepping and highlights the unique role of African American sororities

Diversity in Black Greek Letter Organizations Wendy Marie Laybourn, Devon R. Goss, 2018-04-17 Starting in the early twentieth century and still thriving in the contemporary era Black Greek letter organizations BGLOs provide social support networking opportunities and service for the Black community Although BGLOs have always been majority Black organizations there are small numbers of non Black individuals who choose to pledge their membership Diversity in Black Greek Letter Organizations Breaking the Line explores the experiences of these non Black members who have immersed themselves in organizations rich with Black history and culture Through in depth interviews with thirty four such members Wendy Marie Laybourn and Devon R Goss reveal how and why these individuals come to identify with organizations designed for the uplift of races other than their own For non Black BGLO members the association with a Black organization provides them the opportunity to consider the meaning of racial inequality and their own racial identities Although many non Black BGLO members recount challenges to their membership the participants in Diversity in Black Greek Letter Organizations ultimately find a sense of belonging with their Black brothers and sisters which Laybourn and Goss argue can provide an example of the challenges and promises of cross racial interactions as a whole

Brothers and Sisters Craig LaRon Torbenson, Gregory Parks, 2009 The 1950s are arguably the watershed era in the civil rights movement with the landmark Supreme Court decision of Brown v Board of Education in 1954 the Montgomery Bus Boycott in 1955 and the desegregation of Little Rock Arkansas High School in 1957 It was during this period 1955 to be exact that sociologist Alfred M Lee published his seminal work Fraternities without Brotherhood A Study of Prejudice on the American Campus Lee s book was the first and last book to explore diversity within college fraternal groups More than fifty years later Craig L Torbenson and Gregory S Parks revisit this issue more broadly in their edited volume Brothers and Sisters Diversity in College Fraternities and Sororities This volume draws from a variety of disciplines in an attempt to provide a holistic analysis of diversity within collegiate fraternal life It also brings a wide range of scholarly approaches to the inquiry of diversity within college fraternities and sororities It explores not only from whence these groups have come but where they are currently situated and what issues arise as they progress

The Role of Student Organizations in Developing Leadership David M. Rosch, 2017-09-21 How can formal student organizations in secondary and post secondary education leverage the development of student leadership capacities After describing the historical and current significance of student organizations this volume explores effective organizational structures to promote leadership growth It then focuses on identity based and professional groups and how educators can build stronger connections to keep students involved throughout their educational careers Readers will learn about research based ideas regarding How student organizations should be structured and supported to optimize leadership development for the

students who participate within them How to create a campus environment that supports students from all backgrounds in exploring their leader identity and growth The Jossey Bass quarterly report series New Directions for Student Leadership explores leadership concepts and pedagogical topics of interest to high school and college leadership educators Issues are grounded in scholarship and feature practical applications and best practices in youth and adult leadership education

Soulstepping Elizabeth Calvert Fine,2003 Stepping is a complex performance that melds folk traditions with popular culture and involves synchronized percussive movement singing speaking chanting and drama Elizabeth C Fine s stunningly elaborate and vibrant portrayal of the cultural politics of stepping draws on interviews with individuals on college campuses and steppers and stepping coaches from high schools community groups churches and dance organizations Soulstepping is the first book to document the history of stepping its roots in African and African American culture and its transformation by churches schools and social groups into a powerful tool for instilling group identity and community involvement *A Pledge with Purpose* Gregory S. Parks,Matthew W. Hughey,2024-02-06 Reveals the historical and political significance of The Divine Nine the Black Greek Letter Organizations In 1905 Henry Arthur Callis began his studies at Cornell University Despite their academic pedigrees Callis and his fellow African American students were ostracized by the majority white student body and so in 1906 Callis and some of his peers started the first intercollegiate Black Greek Letter Organization BGLO Alpha Phi Alpha Since their founding BGLOs have not only served to solidify bonds among many African American college students they have also imbued them with a sense of purpose and a commitment to racial uplift the endeavor to help Black Americans reach socio economic equality A Pledge with Purpose explores the arc of these unique important and relevant social institutions Gregory S Parks and Matthew W Hughey uncover how BGLOs were shaped by and labored to transform the changing social political and cultural landscape of Black America from the era of the Harlem Renaissance to the civil rights movement Alpha Phi Alpha boasts such members as Thurgood Marshall civil rights lawyer and US Supreme Court Justice and Dr Charles Wesley noted historian and college president Delta Sigma Theta members include Bethune Cookman College founder Mary McLeod Bethune and women s rights activist Dorothy Height Huey P Newton co founder of the Black Panther Party who left an indelible mark on the civil rights movement was a member of Phi Beta Sigma while Dr Mae Jemison a celebrated engineer and astronaut belonged to Alpha Kappa Alpha Through such individuals Parks and Hughey demonstrate the ways that BGLO members have long been at the forefront of innovation activism and scholarship In its examination of the history of these important organizations A Pledge with Purpose serves as a critical reflection of both the collective African American racial struggle and the various strategies of Black Americans in their great and unfinished march toward freedom and equality **Jet** ,2006-03-06 The weekly source of African American political and entertainment news **The New Encyclopedia of Southern Culture** Glenn Hinson,William Ferris,Charles Reagan Wilson,2010-01-01 Southern folklife is the heart of southern culture Looking at traditional practices still carried on today as well as at aspects of folklife that are

dynamic and emergent contributors to this volume of The New Encyclopedia of Southern Culture examine a broad range of folk traditions Moving beyond the traditional view of folklore that situates it in historical practice and narrowly defined genres entries in this volume demonstrate how folklife remains a vital part of communities self definitions Fifty thematic entries address subjects such as car culture funerals hip hop and powwows In 56 topical entries contributors focus on more specific elements of folklife such as roadside memorials collegiate stepping quinceanera celebrations New Orleans marching bands and hunting dogs Together the entries demonstrate that southern folklife is dynamically alive and everywhere around us giving meaning to the everyday unfolding of community life
