Antisemitism Its History And Causes:

Antisemitism, Its History and Causes Bernard Lazare, 1903 **Antisemitism, Its History and Causes** Bernard Lazare, 1903 Antisemitism Bernard Lazare, 2014-12-14 Hardcover reprint of the original 1903 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Lazare Bernard *Antisemitism Its History And Causes* Indiana Repressed Publishing LLC 2012 Original Publishing Lazare Bernard *Antisemitism Its History And Causes* New York The International Library Publishing Co 1903 Subject Jewish Question **Anti-Semitism in the United States: Its History and Causes** Lee Joseph Levinger, 1901-01-01 The existence of an anti Semitic movement in the United States of America since the World War is a paradox that attracts attention at once The most ancient and most pervasive form of intolerance is now at home in a nation founded by revolution and dedicated to the principles of freedom and tolerance How can such a movement exist in such a nation The apparent contradiction leads us at once into the many contradictions of the psychology of large groups of human beings which both parallels and contradicts the simpler psychology of their constituent individuals This is a leading question to answer which we must go as deeply as we can into the mind of the group into the relation of groups to the smaller groups of which they are composed and of those smaller groups to each other into the genesis and implications of tolerance and intolerance This theoretical study completed we shall then have to verify the principles there worked out by application to the difficult and crucial problem of the present study If a theory of group and sub group can explain the existence and the development of anti Semitism in America it will have solved a problem of exceptional complexity and significance one central to the whole field This will involve a study of the mind of the American people in brief outline with its various movements of intolerance in their bearing on the present one It will also necessitate a slight study of the various anti Semitic examples historic and contemporary from which the American movement derives in part It will conclude with a consideration of the future of the American people as a united group taking into view the tendencies of the sub groups within the bounds of their common nation or over group Anti Semitism is the modern form of the ancient prejudice against the Jew it began in Germany in 1871 directly after the Franco Prussian War and bases its opposition to the Jews on the race theory Anti Judaism is of course much older as old as the people against whom it was directed In most ancient times as represented by the Egyptian taskmasters and the Haman of the Book of Esther it was like any other national hatred or prejudice Later it took on a distinctly religious coloring so that we find a Philo going to Rome to appeal for the Jewish colony in Alexandria or a Josephus writing a defense of his people against Apion With the growth of Christianity into a persecuting body anti Judaism became strictly a religious matter based on the New Testament story that the Jews were responsible for the death of Jesus Medieval laws on the Jews were then often based on the principle of expiation such as the yellow badge which distinguished the

wearer when he left the compulsory shelter of the Ghetto A different form of religious motivation was shown in the frequent accusations of desecrating the Host or of using the blood of a Christian child in preparing the unleavened bread of Passover which appears in the Canterbury Tales and was revived as recently as 1911 in the notorious Beilis case at Kiev Russia Along with this went occasional mob outbreaks such as occur against the negroes in our Southern states and still more rarely decrees of expulsion which drove the entire Jewish population from England in 1294 from Spain in 1492 and from other countries at other times for a longer or shorter period *Anti-Semitism, Its Cause and Cure* Daniel De Leon, 1921

ANTISEMITISM ITS HISTORY AND CAUSES BERNARD. LAZARE, 2018 **The Primary Cause of Antisemitism** Abraham Shaikewitz Schomer, 1909 **Anti-Semitism and its Metaphysical Origins** David Patterson, 2015-02-09 This book articulates a deeper understanding of the phenomenon of Jew hatred as a metaphysical aspect of the human soul Proceeding from the Jewish thinking that the anti Semites oppose David Patterson argues that anti Semitism arises from the most ancient of temptations the temptation to be as God and thus to flee from an absolute accountability to and for the other human being *Anti-Semitism* Bernard Lazare, 1982-10 [The Posen Library of Jewish Culture and Civilization, Volume 7](#) Israel Bartal, Kenneth B. Moss, 2024-01-05 Volume 7 of the Posen Library captures unprecedented transformations of Jewish culture amid mass migration global capitalism nationalism revolution and the birth of the secular self Between 1880 and 1918 traditions and regimes collapsed around the world migration and imperialism remade the lives of millions nationalism and secularization transformed selves and collectives utopias beckoned and new kinds of social conflict threatened as never before Few communities experienced the pressures and possibilities of the era more profoundly than the world's Jews This volume seventh in The Posen Library of Jewish Culture and Civilization recaptures the vibrant Jewish cultural creativity political striving social experimentation and fractious religious and secular thought that burst forth in the face of these challenges Editors Israel Bartal and Kenneth B Moss capture the full range of Jewish expression in a centrifugal age from mystical visions to unabashedly antitraditional Jewish political thought from cookbooks to literary criticism from modernist poetry to vaudeville They also highlight the most remarkable dimension of the 1880 1918 era an audacious effort by newly secular Jews to replace Judaism itself with a new kind of Jewish culture centering on this worldly aesthetic creativity by a posited Jewish nation and the secular modern and free individuals who composed it This volume is an essential starting point for anyone who wishes to understand the divided Jewish present
