Answers to Teenagers' 50 Toughest Questions Phil Bell, 2012-03-01 If you've ever felt unprepared when students want to talk about tough topics then this is the book for you. Answers to Teenagers 50 Toughest Questions will equip you with biblical practical specific responses to the thorniest questions students may toss your way. *My Life with Laura: A Love Story* Chad Moutray, 2008-11-20 This is a love story albeit a tragic one. Chad and Laura dated and married. Shortly thereafter they gave birth to a beautiful daughter Charlotte. Life was perfect until they learned that Laura had breast cancer. This book describes the exciting experiences of courtship, the beauty of their wedding, the joy of family and the struggles of dealing with illness. Laura remained a beacon of strength to many throughout her battle with breast cancer. She was strongly rooted in her faith. This memoir tells an inspirational story even for those who did not know her. It is dedicated to Charlotte so that she will better know her mother. *Along Came Hell, or So I Thought* Lois Young, 2022 In *Along Came Hell, or So I Thought* witness a profound journey of spiritual transformation as one woman grapples with the shocking revelation of her husband's betrayal after forty-four years of marriage. This heart-wrenching narrative delves deep into the core of family trauma, shedding light on the dark corners of sexual abuse within a seemingly normal household. It's a poignant growth book that doesn't just tell a story; it escorts readers through the tumultuous pathways of emotional healing, guided by a steadfast Christian perspective on trauma. As you turn each page, you'll find yourself walking alongside the author, experiencing her despair, confusion, and anger after learning that the man she shared her life with had been molesting their granddaughters. But this is not a journey she walks alone. She finds a way to navigate the stormy seas of betrayal and hurt through conversations, Bible studies, and unexpected Holy Spirit surprises. This narrative is an emblem of hope for anyone seeking books about healing from sexual abuse. *Along Came Hell, or So I Thought* is more than an emotional healing book; it's a testament to the unyielding strength of the human spirit when fortified by faith, addressing sexual abuse in the family with raw honesty while also offering a path to redemption and peace. The author's story illustrates the power of naming one's pain, confronting it head-on, and then handing it over to the higher power of God's love. As you immerse yourself in this powerful account, you'll witness the transformative power of not choosing to bolt but to molt, shedding the layers of pain and emerging renewed and resilient. While everyone's life story differs, this book encapsulates the universal truth that amidst life's most challenging trials, one thing remains constant: God. This book is not just for those who have experienced similar trials but for anyone seeking understanding and compassion. It's a beacon of light for those navigating the dark, a guide for the lost, and a message of hope for the broken. *Along Came Hell, or So I Thought* is an essential addition to the canon of emotional healing books, offering a unique blend of personal narrative and divine inspiration that will touch hearts, stir souls, and inspire minds. *What Possible Good?* Bill Trout, 2020-04-14 In the midst of our own intense storms of life, we desperately search for an anchor of hope. This book by author Bill Trout takes us on a journey towards gaining a better understanding of our pain and suffering. We will find that

God alone is the one true steadfast anchor that we seek Believers in Jesus are firmly secured to God as our anchor by a heavenly chain of very strong links One of the most vital links is found in the answer to the following question What possible good could come from our suffering There is great news God can and does turn bad things into good things for us To see him at work in our lives we need to ask God to open our spiritual eyes To improve our vision of the Master Potter at work we will look through a number of different spiritual lenses Each lens will permit us to see a different Biblical perspective of viewing our pain and suffering Not only will we see a broad range of the possible causes and sources of our trials but also we will discover additional links in the chain of hope which may have eluded us thus far Though we have a natural tendency to blame God for our pain and suffering we will learn that the devil is the primary cause for most of the trials we face But more great news As we grow in our faith and trust in God we realize that he is an expert at turning the tables on all of the devil's deceptive schemes to tempt torture and destroy us God clearly works for the good of the those who love him who are called according to his purpose Romans 8:28 He is the master of turning potential defeat into decisive victory If we hold tight to him as our anchor we can safely and securely ride out all of the storms of life until we reach that promised eternal heavenly shore
