

EXPANDED AND REVISED SECOND EDITION

BALANCING JUVENILE JUSTICE

SUSAN GUARINO-GHEZZI

EDWARD J. LOUGHRAN

Balancing Juvenile Justice Paperback 2005 2nd Edition

ML Yell

Balancing Juvenile Justice Paperback 2005 2nd Edition:

Balancing Juvenile Justice Susan Guarino-Ghezzi, Edward J. Loughran, 2005-09-01 The juvenile justice system in the United States has become a detrimental rather than a remedial experience one that often reinforces youths defiance of authority Trying juveniles as adults overcrowding juvenile detention facilities and other factors have led to the deterioration of a system whose original intent was to protect immature youngsters who might get arrested for truancy or joyriding The present system is ill equipped to cope with today s children who may be arrested for violent crimes such as rape and murder This has led to an intense pessimism *Balancing Juvenile Justice* now in an expanded revised edition is a comprehensive discussion of the primary considerations policymakers should use in striking a balance between holding youths responsible for past behavior and providing services and opportunities so that their future behavior will be guided by constructive rather than destructive forces The topics covered include trends in philosophy and politics a review of state and local reforms in juvenile justice the changing role of the juvenile court development of a balanced continuum of correctional programs and strategies for reform The authors emphasize that while juvenile offenders should pay for their crimes it is equally urgent to realize that adult neglect abuse rescinding needed resources and stigmatizing of youth will only ensure that crime and criminal justice become permanent distinguishing features of the United States This new edition of *Balancing Juvenile Justice* will be compelling reading for sociologists criminologists juvenile justice practitioners and policymakers Reaffirming Juvenile Justice Alida V. Merlo, Peter J. Benekos, 2017-05-25 This book will expand students understanding of the evolution of juvenile justice in the last 50 years Designed to coincide with the 50th anniversary of the landmark case *In re Gault* which the Court decided in 1967 the authors frame the developments and transformations that have occurred in the intervening years Topics covered include an overview of the dramatic changes to field following the spike youth violence in the 1990s the superpredator myth and sanctions for juvenile offenders particularly the 2005 abolition of the death penalty and subsequent decision on life without parole The book also covers child and youth victimization and recent prevention and treatment initiatives **Restoring Justice** Daniel W. Van Ness, Karen Heetderks Strong, 2014-02-01 *Restoring Justice* An Introduction to Restorative Justice offers a clear and convincing explanation of restorative justice a movement within criminal justice with growing worldwide influence It explores the broad appeal of this new vision and offers a brief history of its development The book presents a theoretical foundation for the principles and values of restorative justice and develops its four cornerpost ideas of encounter amends inclusion and reintegration After exploring how restorative justice ideas and values may be integrated into policy and practice it presents a series of key issues commonly raised about restorative justice summarizing various perspectives on each The Sociology of Childhood and Youth in Canada Xiaobei Chen, Rebecca Raby, Patrizia Albanese, 2017-12-12 The sociology of childhood and youth has sparked international interest in recent years and yet a reader highlighting Canadian work in this field has been long overdue Filling this gap in the literature *The Sociology of Childhood*

and Youth in Canada brings together cutting edge Canadian scholarship in this important and growing discipline Thought provoking and timely this edited collection explores a breadth of essential topics including research on and with children and youth the social construction of childhood and youth intersecting identities and citizenship rights and social engagement With a focus on social justice the contributing authors critically examine various sites of inequality in the lives of children and young people such as gender sexuality colonialism race class and disability Encouraging further development of Canadian scholarship in the sociology of childhood and youth this unique collection ensures that young people s voices are heard by involving them in the research process Pedagogical supports including learning objectives study questions suggested research assignments and a comprehensive glossary make this volume an invaluable resource for students of childhood and youth studies in Canada

Victimology William G. Doerner, Steven P. Lab, 2024-08-06 Victimology Tenth Edition covers the scope of crime victims suffering in the US offering a history of victims and the measurement of victimization an explanation of the victim s role in the criminal justice process and a recounting of the issues crime victims face as a result of crime and involvement in the criminal justice process Doerner and Lab both well regarded scholars write compellingly about how the current criminal s justice system can be transformed into a victim s justice system Theory is woven together with the description of each topic and specific examples illustrate each point The book goes on to address the full impact of victimization and a final section details specific types of victimization ranging from violent crimes including child and elder abuse to property crime to crime in the school and in the workplace The authors explain how obstacles hinder the pursuit of justice and provide significant policy and programming suggestions to render the system more victim friendly Appropriate for undergraduate as well as early graduate students in Victimology courses in Criminology Criminal Justice Sociology and Justice Studies programs this book offers instructor s aides with test bank and PowerPoint lecture slides as well as a companion site with student resources

Juvenile Justice Steven M. Cox, Jennifer M. Allen, Robert D. Hanser, 2017-08-17 The text is written from a practical standpoint which students are likely to understand and appreciate Lindsey Livingston Runell J D Ph D Kutztown University Brief focused and up to date Juvenile Justice A Guide to Theory Policy and Practice Ninth Edition is a must have text that takes students on a journey through the practical realities of the juvenile justice system and the most current topics in the field Students not only learn about the history process and theories of the juvenile justice system but they also gain access to the latest crime measurements and explore important issues such as community based sanctions treatment and rehabilitation gangs and international youth crime Emphasizing evidence based practices the authors guide readers through the methods and problems of the system and offer realistic insights for students interested in a career in juvenile justice Real life examples excellent pedagogical features and a complete online ancillary package are provided to help instructors effectively teach the course and help students learn interactively Give your students the SAGE edge SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review study and

further exploration keeping both instructors and students on the cutting edge of teaching and learning Learn more at edge.sagepub.com/coxjj9e Professional Practice in Child Protection and the Child's Right to Participate Asgeir

Falch-Eriksen, Karmen Toros, 2022-08-05 This book explains and discusses how a child's right to freedom of expression is upheld through practice and decision making in Child Protection Services CPS Using the right to expression as stipulated in Article 12 2 of the United Nations Convention on the Rights of the Child CRC as a point of departure it explains what CPS practices should look like and how they must operate to uphold and enforce the rights of the child by providing the opportunity to be heard in any administrative practice Current research literature documents extensively and across countries how either the voice of the child is not heard or alternatively the existence of a pro forma tokenistic approach to listening to the child throughout CPS practices Taking a three fold approach this book establishes a clearer connection between rights and professional practice according to Article 12 extrapolates how rights based practice is achieved during CPS practices provides a comprehensive answer to the challenge of implementing Article 12 2 through policy and legislation It will be of interest to all students academic and professionals working within child protection including social workers probation officers health and social care workers lawyers and teachers The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license Juvenile Justice John T. Whitehead, Steven P. Lab, 2018-07-11 Juvenile Justice An Introduction Ninth Edition presents a comprehensive picture of juvenile offending delinquency theories and the ways juvenile justice actors and agencies react to delinquency Whitehead and Lab offer evidence based suggestions for successful interventions and treatment and examine the prospects for rebalancing the model of juvenile court This new edition includes insightful analysis and the latest available statistics on juvenile crime and victimization drug use court processing and corrections Recent developments include the possible influence of biosocial factors on delinquency use of social media both for recruiting gang members and for combatting gangs new probation models responses to cyberbullying the renewed emphasis on status offenses the implications of drug legalization police shootings and specialty courts for teens and those with mental illness Chapter 12 has been recast to cover specific information on prevention programs in addition to restorative justice approaches Each chapter enhances student understanding with Key Terms a What You Need to Know section and Discussion Questions Links at key points in the text show students where to get the latest information **Choice**, 2007-03
