Lucky Jonathan Allen, Amie Parnes, 2021-03-02 The inside story of the historic 2020 presidential election and Joe Biden's harrowing ride to victory from the 1 New York Times bestselling authors of *Shattered* the definitive account of Hillary Clinton's 2016 campaign Almost no one thought Joe Biden could make it back to the White House not Donald Trump not the two dozen Democratic rivals who sought to take down a weak front runner not the mega donors and key endorsers who feared he could not beat Bernie Sanders not even Barack Obama The story of Biden's cathartic victory in the 2020 election is the story of a Democratic Party at odds with itself torn between the single minded goal of removing Donald Trump and the push for a bold progressive agenda that threatened to alienate as many voters as it drew In *Lucky* 1 New York Times bestselling authors Jonathan Allen and Amie Parnes use their unparalleled access to key players inside the Democratic and Republican campaigns to unfold how Biden's nail biting run for the presidency vexed his own party as much as it did Trump Having premised his path on unlocking the Black vote in South Carolina Biden nearly imploded before he got there after a relentless string of misfires left him freefalling in polls and nearly broke Allen and Parnes brilliantly detail the remarkable string of chance events that saved him from the botched Iowa caucus tally that concealed his terrible result to the pandemic lockdown that kept him off the stump where he was often at his worst More powerfully *Lucky* unfolds the pitched struggle within Biden's general election campaign to downplay the very issues that many Democrats believed would drive voters to the polls especially in the wake of Trump's response to nationwide protests following the murder of George Floyd Even Biden's victory did not salve his party's wounds instead it revealed a surprising complicated portrait of American voters and crushed Democrats belief in the inevitability of a blue wave A thrilling masterpiece of political reporting *Lucky* is essential reading for understanding the most important election in American history and the future that will come of it

us with a more comprehensive picture of how voters make decisions in the voting booth Inside Campaigns William J. Feltus, Kenneth M. Goldstein, Matthew Dallek, 2018-07-04 Take your students on a journey into the world of campaign managers Powered by scores of interviews and surveys of political professionals the book considers the purpose potency and poetry of modern political campaigns in the US The Squad Ryan Grim, 2023-12-05 Semafor s Best Political Book of 2023 A riveting insider account of the progressive movement in Congress centering A O C Rashida Tlaib Jamaal Bowman Cori Bush Ayanna Pressley and Ilhan Omar their rise their efforts to set an ambitious agenda for the country and their struggle to find their footing within the Democratic party The Squad is the definitive must read book about the most exciting figures defining our new era The story is urgent and the stakes are high for the country and the world and Grim an experienced political reporter who covered the Squad before they were the Squad is uniquely qualified to tell it When Bernie Sanders an obscure Vermont senator launched his quixotic 2016 presidential campaign few could have seen just how radically the Democratic Party would transform in just a few short years or that such a transformation could be led by a Bronx bartender volunteering for Bernie in her spare time The world as it was when that campaign began is almost unrecognizable today and the Squad has both shaped and been shaped by the seismic social cultural and political changes underway Referred to informally as the Squad led by the preternaturally politically savvy Alexandria Ocasio Cortez the group laid down a marker for an aggressive left wing agenda Grim takes you behind the scenes as that new energy makes impact with Washington and the Squad spends as much time fending off assaults from Donald Trump who regularly singled them out and led chants of send them back at rallies as they did battling their own party s sclerotic leadership As they ve grown in office they ve had to contend with the eternal question that confronts outsiders who power their way into the inside Are they still radical organizers willing and able to lead a political revolution
