Bernie Sanders Union Support:

Our Revolution Bernard Sanders, 2016-11-15 An inside account of Sanders extraordinary campaign and a blueprint for future political action

Unions Renewed Alice Martin, Annie Quick, 2020-09-29 Unions face a once in a generation opportunity for renewal Decades of decline have been compounded by a global elite who increasingly generate profit from financial engineering in ways that side step labour and undermine the power of organised workers However as this economic system begins to falter there are signs of a renewed union movement emerging Debt laden firms from supermarkets and nursery chains to outsourcing giants are collapsing and workers are organising to determine what comes next Unionised bank cashiers are refusing to push predatory loans teachers are striking against the exploitative housing market and manufacturing workers are pooling redundancy pay to buy out plants and become worker owners Alice Martin and Annie Quick argue that these are seeds of union renewal To be effective in an age of finance the union movement must set its ambitions beyond narrow wage bargaining and towards the financial systems that have infiltrated workplaces and impoverished communities By doing so they can play a critical role in ushering in a new democratic economy No one committed to economic justice can afford to miss this urgent highly original book and its radical vision for unions

We Are the Union Eric Blanc, 2025-02-18 A riveting account of labor s bottom up resurgence providing a roadmap for workers unions and social movements to win widely After decades of union decline and rising inequality an inspiring wave of workplace organizing from Starbucks stores to Amazon warehouses to southern auto factories has thrust unionization into the national spotlight By analyzing this surge and telling the stories of the courageous workers driving it forward We Are the Union makes a case for how to overcome business as usual in both corporate America and organized labor Eric Blanc shows that recent struggles have developed a new organizing model worker to worker unionism which builds scalable power by giving rank and filers an unprecedented degree of leadership Through digital tools and ambitious campaigns young worker leaders are turning the labor movement back into a movement and they re winning Rigorously researched and compellingly written We Are the Union illustrates how this new grassroots approach can exponentially grow the power of working people to overcome economic exploitation racial injustice and authoritarianism at work and beyond

Interest Groups and Lobbying Thomas T. Holyoke, 2020-10-29 Interest Groups and Lobbying shows how political organizations and their lobbyists play a crucial role in how policy is made in the United States It cuts through the myths and misconceptions about interest groups and lobbyists with an accessible and comprehensive text supported by real world examples and the latest research New to the Second Edition Fully updates and expands the discussion of social media and other online activity engaged in by interest groups showing that they have become more sophisticated in their use of the internet especially social media for keeping current members informed and for their advocacy work New case studies on more recent advocacy efforts Updated data used in the book including Total number and types of interest groups lobbying in Washington DC Total number and

types of interest groups lobbying in the fifty states Data on campaign contributions Data on amicus briefs and case sponsorship Data on stages of the lawmaking process where interest groups appear to lobby the most New data on revolving door lobbyists

Psychoanalyzing the Left and Right after Donald Trump Robert Samuels, 2016-10-07 This book outlines a new model for global social justice movements that is based on Freud and Lacan's central insights regarding the unconscious repetition drives and transference Since most of our current social issues are global in nature Bob Samuels convincingly argues that we need a global solution but that global solidarity is blocked by narcissistic nationalism and the capitalist death drive In examining contemporary social movements for global justice Samuels articulates a comprehensive theory of non pathological social solidarity and argues that in the age of multinational corporations and global climate change we need a new model of global justice and government that requires an understanding of analytic neutrality and free association This book uses psychoanalytic theories and practices to explain how someone like Trump can rise to power and explores why liberals have failed to provide a convincing or effective political alternative It will be compelling reading to students and teachers in a range of psychological and political disciplines and to anyone interested in psychoanalysis and current politics

Issues for Debate in American Public Policy CQ Researcher, 2016-05-24 This collection of non partisan reports written by award winning CQ Researcher journalists focuses on provocative current policy issues As an annual publication that comes together just months before it goes to press the volume is all new and as up to date as possible And because it's CQ Researcher the policy reports are expertly researched and written showing all sides of an issue Chapters follow a consistent organization exploring three issue questions then offering background current context and a look ahead and feature a pro con debate box All issues include a chronology bibliography photos charts and figures All selections are brand new and explore some of today's most significant American public policy issues including the marijuana industry air pollution and climate change racial conflict housing discrimination campus sexual assault transgender rights reforming veteran's health care and immigrant detention

Teacher Unions and Social Justice Michael Charney, Jesse Hagopian, Bob Peterson, 2021-04-03 *Teacher Unions and Social Justice* is an anthology of more than 60 articles documenting the history and the how tos of social justice unionism Together they describe the growing movement to forge multiracial alliances with communities to defend and transform public education Book Review 1 The fight for justice the fight for educational justice is achieved by community wins As more unions join forces with their communities to engage in social justice unionism the community will win and we need a playbook *Teacher Unions and Social Justice* is that playbook It's packed with ideas strategies and the voices of change from across the nation from people who are protesting marching striking organizing creating and demanding the schools our students deserve Bettina Love Professor of Teacher Education University of Georgia Co founder of the Abolitionist Teaching Network Book Review 2 this book is centered in strategy It recommends building coalitions between unions and communities to demand investment in public schools In the book's vision a union's identity

goes beyond its leaders to promote and publicize the members collective action on cultural and community matters of concern Foreword Clarion Reviews Book Review 3 Teachers Unions and Social Justice creates a clear roadmap for building and wielding the power working people need to restore our social contract by using common good bargaining to build solidarity that extends beyond our workplaces and into our communities Sara Nelson President of the Association of Flight Attendants CWA

New Media Unions Nicole S. Cohen, Greig de Peuter, 2020-03-11 Investigating the wave of unionization that has seen over 60 digital and legacy media outlets unionize since 2015 this book explores how a flash of organizing by digital first journalists has become a full blown movement to unionize journalism particularly in the United States Through in depth interviews with journalists and organizers New Media Unions maps the process of labor organizing foregrounding journalists voices and documenting a historic and ongoing moment in the digital media industry Cohen and de Peuter examine what motivates union drives then follow journalists through the making of a union from scratch They explore how journalists strategically self organize apply their communication skills to alternative ends generate affective bonds of solidarity and build power to confront anti union campaigns and bargain first contracts winning significant gains and drafting a new labor code for journalism in a digital age This book demonstrates that if journalism is to have a future it must be organized New Media Unions provides a counter perspective on an industry in flux whose protagonists young journalists facing precarious futures are using collective organizing to articulate a bottom up vision for journalism s future This is a valuable resource for academics and researchers interested in political economy journalism studies and labor studies Book website www.newmediaunions.com

Crisis and Contagion Ian McKay, 2023-10-17 Crisis and Contagion is a selection of fourteen interviews conducted by Ian McKay of the Wilson Institute at McMaster University Interviews with Nancy Fraser Mike Davis Mack Penner Andreas Malm and Merrill Singer explore capitalism s organic crisis and the ways it has made this and future pandemics inevitable Nora Loreto Tithi Bhattacharya Chandrima Chakraborty Merlin Chowkwanyun and Sanjay Nepal discuss the experiences of ordinary people in the pandemic J Michael Ryan Laura Spinney Naomi Klein and Noam Chomsky explore the long term effects and likely historical legacy of a pandemic that has changed millions of lives and maybe the trajectory of human civilization These scholars propose that to understand the impact of Covid 19 we have to understand the conflictual history of capitalism and to ward off future pandemics we need to start building a post capitalist alternative to the disease generating and highly unequal global neoliberal order As capitalist forces work to shove what we have learned from the Covid 19 pandemic down the memory hole Crisis and Contagion offers a must read for those wanting to seize this moment of change and revolution

Out of Darkness Ralph Nader, 2024-06-25 A collection of columns and essays that reveal Ralph Nader at his outspoken and prescient best fighting the good fight against corporate corruption unbalanced political power consumer dangers big pharma and climate deniers Features an introduction by Lewis Lapham This collection is classic Nader exhorting us to make our world and nation a better place even when faced with unchecked

political and corporate power and perverse market and regulatory incentives He starts with the declaration that the national Democratic Party bureaucrats are either inept or bewildered With its record setting campaign fundraising he bemoans how the Party can't seem to figure out how to go on the offensive against the overtly lying cruel corrupt law breaking Wall Street over Main Street Trumpian Republican Party In another essay he praises Canada explaining that the majority of citizens love their health care system Medicare for all free choice of doctor and hospital everybody in nobody out and far less expensive with better outcomes overall Highlighting heroes like Pete Seeger Wendell Berry the journalist Helen Thomas Nader also celebrates citizens like the lesser known charismatic George S Hawkins general manager of the District of Columbia Water and Sewer Authority who brought immense energy vision and ambitious overdue plans to the forefront for American's public drinking water Meanwhile he doesn't shy away from enemies for example Nader slams the evils of Big Pharma's strength and hold over Congress and infinite greed Nader also brings American history to the present day with creative twists We need to remember Ben Franklin our frugal forebear who coined the phrase a penny saved is a penny earned he writes Today he would say a trillion BTUs saved is a trillion BTUs earned Ranging from hernia repair to auto safety reports and warnings about lethal super bugs and global pandemics from 2013 Nader's essays and newspaper columns will inform and activate his legions of fans
