Bernstein's Handbook of Arbitration and Dispute Resolution Practice Ronald Bernstein, 2003 **ADR, Arbitration, and Mediation** CI Arb, 2014

The various developments and changes in the field of arbitration coupled with the large sums and important issues which are so often at stake in them mean that a new book providing a comprehensive overview on the topic from an authoritative source is not merely very welcome it is positively needed by professionals involved in arbitration and their clients It is hard to think of an organisation better qualified to sponsor such a book than the Chartered Institute of Arbitrators with its enormous experience and authority in the field It is also hard to conceive of a more impressive and well qualified group of contributors to such a book than the list of people who Julio Cesar Betancourt and Jason A Crook have included in this volume Lord Neuberger of Abbotsbury President of the Supreme Court of the United Kingdom The Chartered Institute of Arbitrators is a learned society that works in the public interest to promote and facilitate the use of alternative dispute resolution ADR mechanisms Founded in 1915 and with a Royal Charter granted in 1979 it is a UK based institution that has gained international presence in more than 100 countries and has more than 13 000 professionally qualified members around the world Chartered Institute of Arbitrators 12 Bloomsbury Square London United Kingdom WC1A 2LP T 44 0 20 7421 7444 www.ciarb.org Registered Charity 803725 International Commercial Arbitration is the fastest growing dispute settlement discipline The complexities surrounding its regulatory framework combined with an ever increasing and constantly evolving set of acts rules guidelines protocols regulations national legislation international treaties and so on may appear daunting at first glance This collection of documents or supplementary material is designed to provide the essential reading for all those who are eager to pursue a career in international arbitration It will also appeal to arbitration practitioners wishing to have easy access to over 700 pages of arbitration related resources
