Barack Obama Marlene Targ Brill,2009-01-01 Biography of Barack Obama the 44th President of the United States covers events from his early career to the White House *Barack Obama* Marlene Targ Brill,2009-01-01 On a cold day in February 2007 Barack Obama the popular African American senator from Illinois announced that he was running for president of the United States He made the announcement in Springfield Illinois where almost 150 years earlier Abraham Lincoln had warned Americans of the danger of living in a country divided by slavery Obama said that day Few obstacles can withstand the power of millions of voices calling for change By ourselves this change will not happen Divided we are bound to fail But the life of a tall gangly self made Springfield lawyer tells us that a different future is possible In 2007 many people doubted the junior senator had a chance of winning the Democratic Party s nomination much less the presidential race But Obama toughed it out over many months of campaigning on promises of change to eventually gain the highest office in the land becoming the first African American president of the United States in 2009 *Prince William & Kate* Matt Doeden,2011-08-01 On April 29 2011 the whole world watched as Prince William of Wales and Kate Middleton exchanged marriage vows This royal wedding was one of the most anticipated events in England in recent years Ever since the couple officially announced their engagement in November 2010 every detail of the wedding has captured headlines around the globe Why all the excitement William is second in line to become Britain s king William Arthur Philip Louis of Wales is the firstborn child of Charles and Diana Prince and Princess of Wales And through marriage to William Catherine Elizabeth Middleton known as Kate turned from a commoner into a princess If William becomes king one day Kate will be the Queen Consort Follow the couple s royal romance from their first meeting at the University of St Andrews through the ups and downs of their relationship to the romantic wedding ceremony at London s Westminster Abbey *Jennifer Lawrence* Katherine Krohn,2012-01-01 Highlights the life and accomplishments of the young actress known for her roles in Winter s Bone and The Hunger Games *Nancy Pelosi* Lisa Tucker McElroy,2007-09-01 Chronicles the life and career of the first woman to serve as Speaker of the House of Representatives from her childhood in Baltimore through her early days in Congress through her election as Speaker in 2007 *Michael Jackson* Katherine Krohn,2017-01-01 Michael Jackson s journey to fame began in 1966 at age eight when he started singing with his brothers in the Jackson 5 In the early 1970s he launched a solo career accumulating a dozen number one singles His record breaking album Thriller has sold an estimated 110 million copies worldwide He won seventeen Grammy awards and was introduced into the Rock and Roll Hall of Fame twice In 2009 people of all ages mourned Michael s sudden death Adored for his music dancing and performing and known for his highly publicized personal life Michael Jackson remains the ultimate music legend **Ted Kennedy** Lisa Tucker McElroy,2009-01-01 Follows Senator Edward Kennedy from his youth to his time in the Senate and his endorsement of Barack Obama *The Historic Fight for the 2008 Presidential Nomination: The Obama View* Karen Bush Gibson,2009-04 Barack Obama seemed to burst onto the national

political scene in early 2007 when he announced his candidacy for president of the United States. In reality, his lengthy resume included work as a community organizer, civil rights attorney, state senator, and U.S. senator. His political accomplishments showed Obama as a candidate who could get things done by working with Republican and Democratic legislators alike on such issues as education, crime reform, and campaign reform. Obama's historic campaign for the Democratic presidential nomination drew both strong support and strong opposition from members of both major political parties. A skilled orator, his speeches attempted to transcend race as he focused not on how people were different but how they were alike. A grassroots campaign grew, spreading the message that Obama was the candidate who would bring change we can believe in. He was nominated for the Democratic ticket over Hillary Rodham Clinton and then, on November 4, 2008, Barack Obama made history when he was elected America's first African American president. *Alberto Gonzales*, Lisa Tucker McElroy, 2006-01-01. Highlights the life and career of the man who became attorney general of the United States in 2005. **Michelle Obama**, Marlene Targ Brill, 2008-09-01. Michelle Obama describes herself first and foremost as being a mom. But she has taken a mighty leap from the South Side of Chicago to presiding over the White House as First Lady. Once employed by a top Chicago law firm, which is where she met Barack Obama, Michelle quickly realized she wanted a profession where she could give back to her community. She set up the first public service program for the University of Chicago and was extremely successful recruiting volunteers. She later used her skills in relating to people as an avid campaigner during her husband's run for president. As First Lady, Michelle Obama brings intelligence, wit, and warmth to the job. And most important, she still serves as First Mom in Chief.
