Committee on the Budget,2002      **Congressional Record** United States. Congress,2003      *Budgeting for Local  
Governments and Communities* Douglas Morgan,Kent S. Robinson,Dennis Strachota,James A. Hough,2017-09-19 Budgeting  
for Local Governments and Communities is designed as the primary textbook for a quarter or semester long course in public  
budgeting and finance in an MPA programme Many currently available texts for this course suffer from a combination of  
defects that include a focus on federal and state budgeting a lack of a theoretical governance framework an omission of  
important topics and typically a lack of exercises and datasets for student use Budgeting for Local Governments and  
Communities solves all of these problems The book is exceptionally comprehensive and well written and represents the  
efforts of veteran authors with both teaching and real world experience Key Features Special Focus on Local Government  
Budgeting focuses exclusively on budgeting at the local levels of American government which are responsible for spending  
40 percent of the taxes collected from citizens Integration of Theory and Practice teaching cases and chapters capture the  
lessons learned by professional practitioners who have extensive experience in making local public budgeting work on the  
ground Polity Approach to Local Budgeting presents an introduction to local budgeting as the central political activity that  
integrates the resources of the community into a unified whole Budgeting is presented as governance work rather than as a  
unique set of skills possessed by analysts and financial specialists Legal Historical Economic and Moral Foundations of Local  
Government Budgeting provides readers with an understanding of how the structures and processes of local budgeting  
systems are firmly tethered to the underlying core values legal principles and historical development of the larger American  
federal state and local political systems Electronic Datasets and Budgeting Exercises the text includes access to extensive  
electronic datasets and practice exercises that provide abundant opportunities for students to learn through doing Extensive  
Glossary and Bibliography covers terms on the history and practice of local public budgeting
