The Principal as Instructional Leader Sally J. Zepeda, 2014-01-09 First published in 2007 Routledge is an imprint of Taylor Francis an informa company *The School Mission Statement* Steven Stemler, 2013-08-06 This is a must have resource for busy educators involved in creating improving or reevaluating their school mission statements The authors provide numerous examples of mission statements from a diverse range of preK 12 schools offering readers an extremely valuable resource for developing an understanding of various themes and ideas in American education today all to be better prepared to formulate their own schools mission statements Whether you are preparing for accreditation reviews seeking a broader knowledge base or are engaged in policy discussions this practical readable guide is packed with valuable information to help you reach your professional goals **Stop Leading, Start Building!** Robyn R. Jackson, 2021-02-16 You are a school administrator a principal or maybe a district leader You re doing everything right poring over data trying new strategies launching annual initiatives bringing in outside trainers So why do the outcomes you seek still seem so far away The problem isn t you it s that you were trained in school leadership and school leadership just isn t up to the challenge Each year Robyn R Jackson helps thousands of administrators stop wasting time and energy on flawed leadership approaches that succeed only with the right staff students parents budget and boss As they have discovered it s possible to transform your school with the people and resources you already have The secret Stop leading and start building In this book you ll learn to use Jackson s breakthrough Buildership Model to escape the school improvement hamster wheel and finally create the school your students and teachers deserve The work involves a handful of simple shifts in how you approach Purpose Instead of chasing tiny gains or the next new thing every year you ll establish and use an ambitious vision mission and set of core values to galvanize your staff keep everyone focused and create true accountability for achieving your goals People You ll discover

new ways to help every teacher grow one level in one domain in one year or less and ultimately develop high levels of both will and skill Pathway Instead of trying to tackle every problem at once you ll identify the biggest obstacle standing in your way right now and figure out exactly how to remove it once and for all Plan You ll learn a new process for solution implementation that is iterative cyclical and capable of powering both short term wins and ongoing transformation year over year When you stop leading and start building you let go of the idea that you need to work harder to make your school work better You no longer settle for incremental improvement when what you really want is dramatic change and better learning outcomes for all It s time to make the shift from leadership to buildership Get ready to turn your school into a success story

Creating School Cultures That Embrace Learning John Bell, Franklin P. Schargel, Tony Thacker, 2013-11-20 This book brings together the insight and experience of successful leaders from over 60 schools on the issue of improving school culture in their very own words It provides the tools practices and examples that will help you in your own effort to improve school culture
