

Alistair Macleod Alistair Macleod

Yan Bai

Alistair Macleod Alistair Macleod:

No Great Mischief Alistair MacLeod, 2012-01-11 Alexander MacDonald guides us through his family's mythic past as he recollects the heroic stories of his people: loggers, miners, drinkers, adventurers, men forever in exile, forever linked to their clan. There is the legendary patriarch who left the Scottish Highlands in 1779 and resettled in the land of trees where his descendants became a separate Nova Scotia clan. There is the team of brothers and cousins, expert miners in demand around the world for their dangerous skills. And there is Alexander and his twin sister who have left Cape Breton and prospered yet are haunted by the past. Elegiac, hypnotic by turns, joyful and sad, **No Great Mischief** is a spellbinding story of family, loyalty, exile, and of the blood ties that bind us generations later to the land from which our ancestors came. **Island** Alistair MacLeod, 2000 **Island** Alistair MacLeod, 2010-12-03 Alistair MacLeod has been hailed internationally as a master of the short story. Now MacLeod's collected stories, including two never before published, are gathered together for the first time in **Island**. These sixteen superbly crafted stories, most of them firmly based in Cape Breton even if its people stray elsewhere, depict men and women living out their lives against the haunting landscape that surrounds them. Focusing on the complexities and abiding mysteries at the heart of human relationships, MacLeod maps the close bonds and impassable chasms that lie between man and woman, parent and child, and invokes memory and myth to celebrate the continuity of the generations even in the midst of unremitting change. Eloquent, humane, powerful, and told in a voice at once elegiac and life-affirming, the stories in this astonishing collection seize us from the outset and remain with us long after the final page.

Alistair MacLeod Irene Guilford, 2001 Including personal interviews, background information, and criticism, this collection of essays examines renowned Canadian author Alistair MacLeod's life and the writing of his novel **No Great Mischief**. Various literary critics explore themes present in his work, such as memory versus myth and the blending of history. One of the chief contemporary fiction writers, MacLeod has won such honors as the Dartmouth Book Award for Fiction, the Raddall Award for Fiction, and the Trillium Award for Fiction. **Island** Alistair MacLeod, 2025-04-25 Winner of the PEN Malamud Award, the genius of his stories is to render his fictional world as timeless. Colm Tóibín: "The sixteen exquisitely crafted stories in **Island** prove Alistair MacLeod to be a master. Quietly, precisely, he has created a body of work that is among the greatest to appear in English in the last fifty years. A book-obsessed patriarch releases his only son from the obligations of the sea. A father provokes his young son to violence when he reluctantly sells the family horse. A passionate girl who grows up on a nearly deserted island turns into an ever-wistful woman when her one true love is felled by a logging accident. A dying young man listens to his grandmother play the old Gaelic songs on her ancient violin as they both fend off the inevitable. The events that propel MacLeod's stories convince us of the importance of tradition, the beauty of the landscape, and the necessity of memory."

Island Alistair MacLeod, 2001 These slow, beautiful stories, resolute and resonant, are small masterpieces, apparently simple but actually crafted with enormous skill and precision. Set against the unforgiving landscape of Cape Breton, Nova

Scotia they are all concerned with the complexities and mysteries of the human heart the unbreakable bonds and unbridgeable chasms between man and woman parent and child Steeped in memory and myth and washed in the brine and blood of the long battle with the land and the sea these stories celebrate a passionate engagement with the natural world and a continuity of the generations in the face of transition in the face of love and loss As John McGahern says in his eloquent foreword the work has a largeness of feeling of intellect of vision a great openness and generosity even an old fashioned courtliness The stories stand securely outside of fashion while reflecting deep change Bringing together all Alistair MacLeod s short fiction and including two previously uncollected stories *Island* represents the great achievement of one of the world s finest storytellers **Such Meticulous Brightness** ,1988 [Conversations with Alistair MacLeod -](#) , [As Birds Bring Forth the Sun and Other Stories](#) Alistair MacLeod,2010-12-10 The superbly crafted stories collected in Alistair MacLeod s *As Birds Bring Forth the Sun and Other Stories* depict men and women acting out their own peculiar mortality against the haunting landscape of Cape Breton Island In a voice at once elegiac and life affirming MacLeod describes a vital present inhabited by the unquiet spirits of a Highland past invoking memory and myth to celebrate the continuity of the generations even in the midst of unremitting change His second collection *As Birds Bring Forth the Sun and Other Stories* confirms MacLeod s international reputation as a storyteller of rare talent and inspiration **Reading Alistair MacLeod** ,2005

Right here, we have countless books **Alistair Macleod Alistair Macleod** and collections to check out. We additionally have the funds for variant types and furthermore type of the books to browse. The customary book, fiction, history, novel, scientific research, as with ease as various new sorts of books are readily nearby here.
