Organizational Structure and Apostasy Colin D. Standish, 2000 Review and Herald, 1969 Biblical and Theological Gleanings: a collection of comments, criticisms, and remarks, explanatory or illustrative of nearly two thousand seven hundred passages in the Old and New Testament ... With some original observations William Chichester O'NEILL (Baron O'Neill.), 1854 **You Mean I Don't Have to Tithe?** David A. Croteau, 2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don't Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau's intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic The Encyclopedia of American Religions, Religious Creeds J. Gordon Melton, 1988 On t p A compilation of more than 450 creeds confessions statements of faith and summaries of doctrine of religious and spiritual groups in the United States and Canada *A Commentary on the Revelation of John* Reverend Randy Thames, 2021-03-05 We live in an extremely troubled world We face epidemics racism violence protests and a lack of strong leadership in government Crisis on a global level natural disasters and the ever spreading criminal activity through the Internet have left us strained in our resources and vulnerable to all sorts of attacks More succinctly the world has lost touch with Jehovah the Creator of the universe and the only one who can bring about any positive global change As mankind turns his back on his Creator he becomes more carnal more primal and without restraint He becomes disobedient to authority unthankful for what he has and incapable of judging right from wrong He challenges that which gives him the right to issue the challenge in the first place The fact that our world has lost all control should not be a shock to anyone Jehovah laid out

the chain of events that would lead to the depravity of man millennia ago Mankind watches the downward spiral and when there is no other alternative they cry out to God expecting that He will magically turn men s hearts back to Him Prophecy is seldom God telling us what He is going to do Most often it is God through His foreknowledge seeing what is to come and reporting it to us The prophecy of God through John Paul Matthew and the prophets of old is simply God showing us what is to come He is relating for our benefit what is to come as the result of the failure of mankind The Revelation of John is a love letter from God to His people in which He forewarns us of the unchangeable future so that we might prepare ourselves for the inevitability of its appearance In this book the author has tried to rightly divide the truth of this prophecy in relation to the entirety of prophecy so that we might be able to see it unfolding before our eyes and awaken from our sleep to serve the living God *The Popular Biblical Educator: Devoted to the Literature, Interpretation, and Right Use of Holy Scriptures, Etc. [By John Blackburn.]* ,1854
