All Bells Earth James Blaylock Ebook:

In for a Penny James P. Blaylock, 2013-08-13 This mesmerising collection from World Fantasy Award winner James P. Blaylock offers seven brilliant excursions into one of the most idiosyncratic imaginations of our time Highlighted by the acclaimed novella *The Trismegistus Club* a brilliant riff on the antiquarian ghost story *In for a Penny* goes from strength to strength taking us deep into the heart of a quirky deeply engaging fictional world that no one but Blaylock could have created Other high points include *Home Before Dark* which chronicles one man's first few hours in the afterlife Its thematic companion *Small Houses* recounts an aging widower's last few hours on earth Both stories constitute deeply felt lovingly detailed farewells to the things and places of this world In *The Other Side* a minor precognitive episode leads the hero to an obsessive fascination with the hidden mysteries of the universe In *His Own Back Yard* a story worthy of the great Jack Finney a middle aged man finds himself stranded in the haunted territory of his childhood The blackly funny *War of the Worlds* uses a bowling ball and the imminent end of *Life As We Know It* to illuminate the fault lines in a modern marriage Finally in the wonderfully imagined title story the single minded pursuit of treasure of something for nothing leads Blaylock's protagonist to a harrowing confrontation with his own worst self Startling funny eccentric and often unexpectedly moving the Blaylockian worldview shines forth with undiminished vigor in this marvellous collection which shows us ourselves and the world around us from a wholly unique perspective Simply almost artlessly written the six fantasy stories in this slim collection from Blaylock *Thirteen Phantasms* set in the gentle loving territory of his personal California world verge on the sentimental but never slip into the banal *Publishers Weekly* *Thirteen Phantasms* James P. Blaylock, 2013-10-21 James Blaylock is one of the finest writers in the fantasy field Sixteen of his acclaimed short stories are collected here for the first time Included is *Thirteen Phantasms* his brilliant World Fantasy Award winning story of a man who returns to the Golden Age of science fiction through an ad in a pulp magazine *Myron Chester and the Toads* recounts one man's encounter with aliens and the effect it has on him and his neighbors And in the strange otherworldly California of *Paper Dragons* one man's obsession with the creation of a dragon slowly destroys him [All the Bells on Earth](#) James P. Blaylock, 2012-07-30 Blaylock is one of the most brilliant of that new generation of fabulist writers *All the Bells on Earth* may be his best book *Enthralling* The Washington Post Book World In the dead of night a man climbs the tower of St Anthony's Church driven by a compulsive urge to silence the bells In a deserted alley a seemingly random victim is consumed by a torrent of flames And in the deceptive light of day a mail order businessman named Walt Stebbins receives a bizarre artifact a glass jar containing the preserved body of a bluebird Things like this don't usually happen in a town like Orange California Ordinary people don't expect to face evil real evil in their backyards But as Walt unravels the mystery of the bird in the jar he learns that the battle between good and evil takes place every day An absolute page turner A terrific novel by a master of the offbeat and the absurd The Washington Post Book World In the best tradition of *The Twilight Zone* crossed with wacky characters humor and

moments of real love stunningly portrayed Rick Kleffel *The Agony Column* With acrobatic grace Blaylock winner of two World Fantasy Awards once again walks the dividing line between fantasy and horror this time as he relates a deal with the devil story set in suburban Southern California Publishers Weekly While juxtaposing subtle humor with grim horror the author portrays a world in which human virtues become mystic weapons and unlikely heroes grope their way toward salvation Library Journal

The Steampunk Adventures of Langdon St. Ives James P. Blaylock, 2020-08-10 Within this volume lie the complete Steampunk short stories of Professor Langdon St Ives Victorian adventurer written by avowed Steampunk Legend James P Blaylock St Ives traveler through time and space and an often misunderstood member of the Explorers Club and the Royal Society has trodden the foggy London streets and Thames side alleyways for decades caught up in near death adventures in pursuit of nefarious villains and obscure knowledge In the pages of this chronicle the intrepid Professor and his stalwart friends face down strange enemies and avert catastrophes that the world scarcely knows exist finding themselves stalked through the idol infested jungles of Borneo set adrift in the starlit reaches of outer space plunged into the infamous barrel madness that descended upon London in the late 18th century and wandering in a past and future age when they stumble upon a time portal in the midst of ancient standing stones in the idyllic Kent countryside World Fantasy Award winning author James Blaylock one of the pioneers of the Steampunk genre along with Tim Powers and K W Jeter has written more than 25 novels as well as scores of short stories essays and articles His Steampunk novel *Homunculus* won the Philip K Dick Memorial Award and his short story *The Ape box Affair* published in *Unearth* magazine in 1978 was the first contemporary Steampunk story published in the U S His recent Steampunk works include *The Aylesford Skull Beneath London River's Edge* and *The Goblin Society* Praise for James P Blaylock A singular American fabulist William Gibson Blaylock is a magician Michael Swanwick Blaylock's prose is so rich it literally sings Charles de Lint Blaylock is better than anyone else at showing us the magic that secretly animates our world Tim Powers While many recent novels have picked up the steampunk banner this one fully delivers offering action farce tender relationships and prose full of genuine Victorian cadence and flavor Publishers Weekly on *The Affair of the Chalk Cliffs* St Ives has to be one of the most fleshed out Victorian characters ever written and I'm sincerely hoping that Blaylock isn't finished with this scientist adventurer *The Aylesford Skull* can easily stand alone without any knowledge of Blaylock's previous steampunk stories but you'll want to hunt down additional St Ives tales I'm for certain Wired.com Blaylock throws in all the furniture of the genre derring do and cliffhangers a vivid portrayal of Victorian London a gallery of grotesque characters and the obligatory airship but the strength of the novel is his rendering of St Ives caught between his love of the chase and his commitment to family The Guardian

The Knights of the Cornerstone James P. Blaylock, 2008-12-02 When Calvin Bryson decides to visit his aunt and uncle he learns that their small town is harboring some strange secrets including a modern day incarnation of the legendary Knights Templar
