BIOMEDICAL ENGINEERING

The background of the cover is an abstract, artistic representation of medical technology. It features a network of glowing, translucent tubes in shades of pink, purple, and blue, which resemble blood vessels or medical tubing. Interspersed among these tubes are several glowing, translucent spheres, some of which have a grid-like pattern, suggesting a high-tech or medical theme. The overall color palette is dominated by warm, glowing tones of pink, red, and orange, with cooler purples and blues providing contrast.
