Buckaroo Images From The Sagebrush Basin:

Buckaroo : Images from the Sagebrush Basin Kurt Markus,1987 **Vaqueros, Cowboys, and Buckaroos** Lawrence Clayton,Jim Hoy,Jerald Underwood,2010-06-28 Herding cattle from horseback has been a tradition in northern Mexico and the American West since the Spanish colonial era The first mounted herders were the Mexican vaqueros expert horsemen who developed the skills to work cattle in the brush country and deserts of the Southwestern borderlands From them Texas cowboys learned the trade evolving their own unique culture that spread across the Southwest and Great Plains The buckaroos of the Great Basin west of the Rockies trace their origin to the vaqueros with influence along the way from the cowboys though they too have ways and customs distinctly their own In this book three long time students of the American West describe the history working practices and folk culture of vaqueros cowboys and buckaroos They draw on historical records contemporary interviews and numerous photographs to show what makes each group of mounted herders distinctive in terms of working methods gear dress customs and speech They also highlight the many common traits of all three groups This comparative look at vaqueros cowboys and buckaroos brings the mythical image of the American cowboy into focus and detail and honors the regional and national variations It will be an essential resource for anyone who would know or portray the cowboy readers writers songwriters and actors among them **The Cowboy Encyclopedia** Richard W. Slatta,1996 Over 450 entries provide information on cowboy history culture and myth of both North and South America **Comparing Cowboys and Frontiers** Richard W. Slatta,1997 Historians of the American West perhaps inspired by NAFTA and Internet communication are expanding their intellectual horizons across borders north and south This collection of essays functions as a how to guide to comparative frontier research in the Americas Frontiers specialist Richard W Slatta presents topics techniques and methods that will intrigue social science professionals and western history buffs alike as he explores the frontiers of North and South America from Spanish colonial days into the twentieth century The always popular cowboy is joined by the fascinating gaucho llanero vaquero and charro as Slatta compares their work techniques roundups songs tack lingo equestrian culture and vices We visit saloons and pulperias as well as plains and pampas and Slatta expertly compares clothing weather terrain diets alcoholic beverages card games and military tactics From primary records we learn how Europeans Native Americans and African Americans became the ranch hands cowmen and buckaroos of the Americas and why their dependence on the ranch cattle industry kept them bachelors and landless peons **The Mythical West** Richard W. Slatta,2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The

Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs **Let the Cowboy Ride** Paul F. Starrs,2000-03-17 The dime novel and dude ranch the barbecue and rodeo the suburban ranch house and the urban cowboy all are a direct legacy of nineteenth century cowboy life that still enlivens American popular culture Yet at the same time reports of environmental destruction or economic inefficiency have motivated calls for restricted livestock grazing on public lands or even for an end to ranching altogether In Let the Cowboy Ride Starrs offers a detailed and comprehensive look at one of America s most enduring institutions Richly illustrated with more than 130 photographs and maps the book combines the authentic detail of an insider s view Starrs spent six years working cattle on the high desert Great Basin range with a scholar s keen eye for objective analysis *Nevada Historical Society Quarterly* Nevada Historical Society,1991 *FotoFest 90* Fotofest Inc Houston,1990
 Panhandle-plains Historical Review ,1989 **The Idaho Librarian** ,1989

Right here, we have countless ebook **Buckaroo Images From The Sagebrush Basin** and collections to check out. We additionally have the funds for variant types and also type of the books to browse.
