Case Studies in Sport Communication Terry L. Rentner, David P. Burns, 2018-09-14 Case Studies in Sport Communication You Make the Call goes beyond the box scores by offering readers the opportunity to evaluate popular and diverse issues in sport including management crisis health ethics gender race and social media Each chapter incorporates theory and communication principles as well as topical background information and concludes with discussion questions and

engaging assignments This volume presents real life provocative sports cases that bring contemporary headlines into perspective and inspire critical thinking Each chapter features scholarly evidence that will keep the conversation lively thoughtful and informative Students are encouraged to challenge the ethical implications of what they have read and to make the call This is an invaluable resource for upper level undergraduate and graduate students of sport communication and sport management

Understanding and Preventing Online Sexual Exploitation of Children Ethel Quayle, Kurt M. Ribisl, 2013-03-01 Over the last decade there has been dramatically increased interest in the ways that technology has been used in the abuse and exploitation of children due in part to increasing numbers of convictions for child pornography related offenses Opinion swings between those who feel that there is a danger of distorting the threat posed to children by technology and those for whom it appears that the threat has been grossly underestimated Current literature surrounding the debate at times seems to create more questions than answers and what quickly becomes apparent is that the data we have to inform our understanding is partial potentially context specific and at times seemingly contradictory This book broadens our understanding of the complex nature of online sexual exploitation of children and considers the risk that those engaged in Internet related offences pose to children in both the online and offline environments It focuses on cutting edge research and conceptual thinking that views perpetrators within context examines those impacted by such offending describes emerging legal and policy issues and proposes innovative strategies for prevention within a dynamic global environment Understanding and Preventing Online Sexual Exploitation of Children responds to the growing call for help across all practice areas from judicial to therapeutic and will provide an invaluable resource for practitioners and policy makers working in the field as well as students and academics studying sexual exploitation and cyber crime

Boost Mobile Online Chat Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Boost Mobile Online Chat**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
